

HYPER BRIGHT FIXED PISTOL SET GLOCK - HYPER BRIGHT FIXED PISTOL SET GLOCK 42,43,43X,48 Y RING/G

[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

A total eclipse of conventional brightness. It's the world's brightest handgun sight in any light, with tritium specially formulated to give you industry-first brilliance from broad daylight to midnight. These self-illuminated, fixed tritium sights feature an extremely bright colored ring front sight in your choice of green, yellow, or orange, delivering supreme visibility as a night sight or day-night sight. Contrasting front and rear sight colors help shooters focus on the front sight quicker for faster target acquisition in all lighting conditions. Because you can't predict when everything will depend on your sight's visibility, you can count on Hyper-Bright™. Every time. HYPER-BRIGHT CONCEPT: The MEPRO Hyper-Bright™ fixed Day and Night Sights offer the most reliable illumination for day or night. Mepro Hyper-Bright™ fixed sights feature an extremely bright fluorescent contrast colored ring in green or orange for fast target acquisition in the daytime. The yellow ring option is the sole option with phosphorescent paint that charges with light and glows in lowlight conditions for a short time in conjunction with the tritium. As a result, both rear and front tritium sources appear green in lowlight and nighttime. ALWAYS ON: Premium grade green Swiss-made Tritium vials in the front and rear sights allow for low light and nighttime conditions. The U-notch shape on the rear naturally directs your eyes to the top of the Front sight. No batteries, no switches – always on, always ready 24/7 for 12 years. Maintenance-free can be mounted directly with no modifications. Direct factory replacement, recommend replacing as a set. HIGH DURABILITY: The MEPRO HYPER-BRIGHT™ are drop- and shockproof, built for endless rounds under heavy recoil, and made of steel. Its ultralight, snag-free design is easy to draw and gives you instinctive aiming under pressure. In addition, these sights are reliable in any weather conditions.

Safety Instruction Guide for HYPER BRIGHT FIXED PISTOL SET GLOCK

Introduction

Thank you for choosing the HYPER BRIGHT FIXED PISTOL SET GLOCK. This product is designed to provide optimal visibility in various lighting conditions, ensuring reliable performance for your shooting needs. This safety instruction guide aims to inform you about safe usage, installation, and disposal of the product in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure that the product is used in accordance with the manufacturer's instructions.
- Always check the product for any visible damage before use.
- Keep the product out of reach of children and unauthorized users.
- Report any unsafe product incidents to the relevant authorities.
- Regularly check for recall updates on the EU's Safety Gate platform.
- Be aware of your surroundings and ensure that you are in a safe environment when using the product.

Specific Safety Precautions for Use

- Do not use the product if it is damaged or not functioning properly.
- Avoid exposing the sights to extreme temperatures or harsh conditions that may affect their performance.
- Be cautious when cleaning the sights; use a soft cloth and avoid abrasive materials.
- Ensure that the sights are securely mounted to prevent any accidents during use.
- Always treat your firearm as if it is loaded and handle it safely at all times.
- Use the sights only with compatible Glock models: 42, 43, 43X, and 48.

Instructions for Installation and Usage

Installation Instructions

1. **Gather Tools:** Ensure you have the necessary tools for installation (e.g., screwdriver).
2. **Remove Existing Sights:** Carefully remove the existing sights from your Glock model.
3. **Install Hyper Bright Sights:**
 - Align the new sights with the mounting grooves on your firearm.
 - Securely fasten the sights using the appropriate tools.
4. **Check Alignment:** Ensure that the sights are properly aligned for optimal accuracy.
5. **Test Functionality:** Before use, check that the sights illuminate correctly in low light conditions.

Usage Instructions

- Always ensure that the firearm is pointed in a safe direction when mounting or adjusting the sights.
- Familiarize yourself with the sight's features, including the colored rings for visibility.
- Practice using the sights in various lighting conditions to become accustomed to their performance.
- When shooting, focus on the front sight to improve accuracy and target acquisition.

Disposal Instructions

- Dispose of the product responsibly in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- If the product is damaged or no longer usable, consider recycling options where available.

Contact Information for Further Support

For safety inquiries or further assistance, please refer to the product packaging for the manufacturer's contact details or visit the manufacturer's website. Ensure that you have your product information readily available for any inquiries.

Thank you for your attention to these safety guidelines. Your safety and satisfaction are our top priorities. Enjoy using your HYPER BRIGHT FIXED PISTOL SET GLOCK responsibly.
