

# **HYPER BRIGHT FIXED PISTOL SET GLOCK - HYPER BRIGHT FIXED PISTOL FRONT GLOCK 42,43,43X,48 G RING**

[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

A total eclipse of conventional brightness. It's the world's brightest handgun sight in any light, with tritium specially formulated to give you industry-first brilliance from broad daylight to midnight. These self-illuminated, fixed tritium sights feature an extremely bright colored ring front sight in your choice of green, yellow, or orange, delivering supreme visibility as a night sight or day-night sight. Contrasting front and rear sight colors help shooters focus on the front sight quicker for faster target acquisition in all lighting conditions.

Because you can't predict when everything will depend on your sight's visibility, you can count on Hyper-Bright™. Every time. HYPER-BRIGHT CONCEPT: The MEPRO Hyper-Bright™ fixed Day and Night Sights offer the most reliable illumination for day or night. Mepro Hyper-Bright™ fixed sights feature an extremely bright fluorescent contrast colored ring in green or orange for fast target acquisition in the daytime. The yellow ring option is the sole option with phosphorescent paint that charges with light and glows in lowlight conditions for a short time in conjunction with the tritium. As a result, both rear and front tritium sources appear green in lowlight and nighttime.

ALWAYS ON: Premium grade green Swiss-made Tritium vials in the front and rear sights allow for low light and nighttime conditions. The U-notch shape on the rear naturally directs your eyes to the top of the Front sight. No batteries, no switches - always on, always ready 24/7 for 12 years. Maintenance-free can be mounted directly with no modifications. Direct factory replacement, recommend replacing as a set. HIGH DURABILITY: The MEPRO HYPER-BRIGHT™ are drop- and shockproof, built for endless rounds under heavy recoil, and made of steel. Its ultralight, snag-free design is easy to draw and gives you instinctive aiming under pressure. In addition, these sights are reliable in any weather conditions.

# **HYPER BRIGHT FIXED PISTOL SET GLOCK Safety Instruction Guide**

## **Introduction**

Thank you for choosing the HYPER BRIGHT FIXED PISTOL SET GLOCK. This product is designed to enhance your shooting experience with superior visibility in various lighting conditions. To ensure your safety and the effective use of this product, please read and follow the safety instructions outlined in this guide.

## **General Safety Guidelines**

- Ensure that you are familiar with the operation of your firearm before using this sight.
- Always treat every firearm as if it is loaded, even if you believe it is not.
- Keep your firearm pointed in a safe direction at all times.
- Store your firearm and sight in a secure location, out of reach of children and unauthorized users.
- Regularly inspect your sight for any signs of damage or wear.
- Avoid using the sight if it appears damaged or if the tritium vials are broken.
- Do not attempt to modify or disassemble the sight.

## **Specific Safety Precautions for Use**

- **Visibility:** Always ensure that the sight is properly aligned with your firearm for optimal visibility.
- **Lighting Conditions:** The sight is designed for both day and night use. However, always check the brightness and functionality in lowlight conditions before relying on it.
- **Environmental Factors:** Be aware of weather conditions that may affect your visibility or the performance of the sight.
- **Age Restrictions:** This product is intended for use by individuals who are of legal age to possess firearms in your jurisdiction. Ensure compliance with local laws.

## **Instructions for Installation and Usage**

### **1. Installation:**

- Ensure your firearm is unloaded and pointed in a safe direction.
- Remove the existing sights from your Glock model (42, 43, 43X, or 48) according to the manufacturer's instructions.
- Align the HYPER BRIGHT FIXED PISTOL SIGHT with the mounting points on your firearm.
- Securely attach the sight, ensuring it is properly fitted and stable.
- Check the alignment and adjust if necessary.

### **2. Usage:**

- Practice aiming with the sight in various lighting conditions to become familiar with its capabilities.
- Utilize the contrasting colors of the front and rear sights for quicker target acquisition.
- Regularly check the sight's functionality, especially if used frequently or under harsh conditions.

## **Disposal Instructions**

- Dispose of the sight responsibly in accordance with local regulations.
- If the tritium vials are damaged, follow hazardous waste disposal guidelines to prevent environmental contamination.
- Do not throw the sight in regular household waste.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the HYPER BRIGHT FIXED PISTOL SET GLOCK, please refer to the manufacturer's website or customer service resources for assistance.

## **Conclusion**

By following these safety instructions, you can ensure a safe and effective experience with your HYPER BRIGHT FIXED PISTOL SET GLOCK. Always prioritize safety and responsibility when handling firearms and related accessories.
