

HYPER BRIGHT FIXED PISTOL S&W - HYPER BRIGHT FIXED PISTOL FRONT S&W M&P SHIELD Y RING

[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

A total eclipse of conventional brightness. It's the world's brightest handgun sight in any light, with tritium specially formulated to give you industry-first brilliance from broad daylight to midnight. These self-illuminated, fixed tritium sights feature an extremely bright colored ring front sight in your choice of green, yellow, or orange, delivering supreme visibility as a night sight or day-night sight. Contrasting front and rear sight colors help shooters focus on the front sight quicker for faster target acquisition in all lighting conditions. Because you can't predict when everything will depend on your sight's visibility, you can count on Hyper-Bright™. Every time. HYPER-BRIGHT CONCEPT: The MEPRO Hyper-Bright™ fixed Day and Night Sights offer the most reliable illumination for day or night. Mepro Hyper-Bright™ fixed sights feature an extremely bright fluorescent contrast colored ring in green or orange for fast target acquisition in the daytime. The yellow ring option is the sole option with phosphorescent paint that charges with light and glows in lowlight conditions for a short time in conjunction with the tritium. As a result, both rear and front tritium sources appear green in lowlight and nighttime. ALWAYS ON: Premium grade green Swiss-made Tritium vials in the front and rear sights allow for low light and nighttime conditions. The U-notch shape on the rear naturally directs your eyes to the top of the Front sight. No batteries, no switches – always on, always ready 24/7 for 12 years. Maintenance-free can be mounted directly with no modifications. Direct factory replacement, recommend replacing as a set. HIGH DURABILITY: The MEPRO HYPER-BRIGHT™ are drop- and shockproof, built for endless rounds under heavy recoil, and made of steel. Its ultralight, snag-free design is easy to draw and gives you instinctive aiming under pressure. In addition, these sights are reliable in any weather conditions.

HYPER BRIGHT FIXED PISTOL SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the HYPER BRIGHT FIXED PISTOL SIGHT. This guide provides essential safety instructions and guidelines to ensure the safe use and maintenance of your product. Please read this manual carefully before using the sight to maximize your safety and performance.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose as a firearm sight.
- Always treat firearms with respect and follow all local laws and regulations regarding firearm usage.
- Keep the sight and firearm out of reach of children and unauthorized users.
- Regularly check the sight for any signs of damage or wear. If any issues are found, discontinue use immediately.
- Be aware of your surroundings and ensure that you are in a safe environment when using the firearm equipped with this sight.

Specific Safety Precautions for Use

- Always verify that the firearm is unloaded before installing or adjusting the sight.
- Do not attempt to disassemble the sight or modify it in any way.
- Ensure that the sight is installed securely to prevent any movement during use.
- Use the sight only in appropriate lighting conditions to ensure optimal visibility.
- Be cautious when using the sight in lowlight conditions; ensure you are familiar with your firearm's handling.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded.
- Remove any existing sights according to the manufacturer's instructions.
- Align the HYPER BRIGHT FIXED PISTOL SIGHT with the mounting area on your firearm.
- Securely fasten the sight using the provided screws or mounting hardware.
- Doublecheck the alignment and tightness of the sight before use.

2. Usage:

- Familiarize yourself with the sight's features and how it interacts with your firearm.
- Adjust your stance and grip to ensure comfort and stability while aiming.
- Practice aiming with the sight in various lighting conditions to understand its performance.
- Maintain focus on the front sight for faster target acquisition.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding electronic waste and firearm accessories.
- Do not dispose of the sight in regular household waste.
- If the sight is damaged or no longer usable, contact your local waste management authority for appropriate disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the HYPER BRIGHT FIXED PISTOL SIGHT, please refer to the product packaging for contact details of the manufacturer or authorized distributor in your region.

Conclusion

By following these safety instructions and guidelines, you can ensure a safe and enjoyable experience with your HYPER BRIGHT FIXED PISTOL SIGHT. Always prioritize safety and responsible firearm handling. Thank you for your attention to these important safety measures.
