

# **HYPER BRIGHT FIXED PISTOL SET M&P - HYPER BRIGHT FIXED PISTOL SET S&W M&P FULL SIZE G RING/G**

[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

A total eclipse of conventional brightness. It's the world's brightest handgun sight in any light, with tritium specially formulated to give you industry-first brilliance from broad daylight to midnight. These self-illuminated, fixed tritium sights feature an extremely bright colored ring front sight in your choice of green, yellow, or orange, delivering supreme visibility as a night sight or day-night sight. Contrasting front and rear sight colors help shooters focus on the front sight quicker for faster target acquisition in all lighting conditions.

Because you can't predict when everything will depend on your sight's visibility, you can count on Hyper-Bright™. Every time. HYPER-BRIGHT CONCEPT: The MEPRO Hyper-Bright™ fixed Day and Night Sights offer the most reliable illumination for day or night. Mepro Hyper-Bright™ fixed sights feature an extremely bright fluorescent contrast colored ring in green or orange for fast target acquisition in the daytime. The yellow ring option is the sole option with phosphorescent paint that charges with light and glows in lowlight conditions for a short time in conjunction with the tritium. As a result, both rear and front tritium sources appear green in lowlight and nighttime.

ALWAYS ON: Premium grade green Swiss-made Tritium vials in the front and rear sights allow for low light and nighttime conditions. The U-notch shape on the rear naturally directs your eyes to the top of the Front sight. No batteries, no switches - always on, always ready 24/7 for 12 years. Maintenance-free can be mounted directly with no modifications. Direct factory replacement, recommend replacing as a set. HIGH DURABILITY: The MEPRO HYPER-BRIGHT™ are drop- and shockproof, built for endless rounds under heavy recoil, and made of steel. Its ultralight, snag-free design is easy to draw and gives you instinctive aiming under pressure. In addition, these sights are reliable in any weather conditions.

# **HYPER BRIGHT FIXED PISTOL SET Safety Instruction Guide**

## **Introduction**

Thank you for choosing the HYPER BRIGHT FIXED PISTOL SET. This guide provides essential safety instructions and usage guidelines to ensure safe handling and operation of your firearm sights. Please read this document carefully to understand the safety features and precautions associated with your product.

## **General Safety Guidelines**

- Ensure the product is used in accordance with local laws and regulations regarding firearms and firearm accessories.
- Always treat every firearm as if it is loaded. Never point a firearm at anything you do not intend to shoot.
- Keep the firearm and sights out of reach of children and unauthorized users.
- Regularly inspect your sights for any signs of damage or wear. Do not use if damaged.
- Familiarize yourself with the operation of your firearm and sights before use.
- Report any unsafe products or accidents to local authorities.
- Check for recall updates on the EU's Safety Gate platform.

## **Specific Safety Precautions for Use**

- **Visibility:** The HYPER BRIGHT sights are designed for optimal visibility in various lighting conditions. Ensure you understand how to utilize the bright colors effectively.
- **Installation:** Follow the installation instructions closely to avoid improper mounting, which could affect sight alignment and performance.
- **Night Use:** These sights are designed to perform in lowlight conditions. Be aware of your surroundings when using the firearm in lowlight scenarios.
- **Maintenance:** The sights are maintenancefree; however, ensure they are clean and free from debris to maintain visibility.
- **Handling:** Always handle your firearm with care. Avoid dropping or subjecting it to unnecessary shock.

## **Instructions for Installation and Usage**

### **1. Installation:**

- Ensure your firearm is unloaded before beginning installation.
- Remove the existing sights from your firearm according to the manufacturer's instructions.
- Align the HYPER BRIGHT sights with the mounting points on your firearm.
- Secure the sights in place, ensuring they are firmly attached and properly aligned.
- Doublecheck the installation before using the firearm.

### **2. Usage:**

- When aiming, focus on the bright colored ring of the front sight for quick target acquisition.
- Use the contrasting colors of the front and rear sights to improve focus and accuracy.
- Practice aiming in various lighting conditions to become familiar with the sight's capabilities.
- Always store your firearm safely when not in use, ensuring the sights are protected from damage.

## **Disposal Instructions**

- Dispose of the product according to local regulations for hazardous materials.
- If the sights are damaged or no longer usable, contact local waste management services for proper

disposal options.

- Do not dispose of the sights in regular household waste.

## **Contact Information for Further Support**

For any inquiries regarding safety, installation, or product performance, please refer to the manufacturer's contact point available in the product packaging or user manual.

Thank you for prioritizing safety and responsible usage. Enjoy your HYPER BRIGHT FIXED PISTOL SET!
