

# **HYPER BRIGHT FIXED PISTOL SET M&P - HYPER BRIGHT FIXED PISTOL FRONT S&W M&P FULL SIZE G RING**

[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

A total eclipse of conventional brightness. It's the world's brightest handgun sight in any light, with tritium specially formulated to give you industry-first brilliance from broad daylight to midnight. These self-illuminated, fixed tritium sights feature an extremely bright colored ring front sight in your choice of green, yellow, or orange, delivering supreme visibility as a night sight or day-night sight. Contrasting front and rear sight colors help shooters focus on the front sight quicker for faster target acquisition in all lighting conditions.

Because you can't predict when everything will depend on your sight's visibility, you can count on Hyper-Bright™. Every time. HYPER-BRIGHT CONCEPT: The MEPRO Hyper-Bright™ fixed Day and Night Sights offer the most reliable illumination for day or night. Mepro Hyper-Bright™ fixed sights feature an extremely bright fluorescent contrast colored ring in green or orange for fast target acquisition in the daytime. The yellow ring option is the sole option with phosphorescent paint that charges with light and glows in lowlight conditions for a short time in conjunction with the tritium. As a result, both rear and front tritium sources appear green in lowlight and nighttime.

ALWAYS ON: Premium grade green Swiss-made Tritium vials in the front and rear sights allow for low light and nighttime conditions. The U-notch shape on the rear naturally directs your eyes to the top of the Front sight. No batteries, no switches - always on, always ready 24/7 for 12 years. Maintenance-free can be mounted directly with no modifications. Direct factory replacement, recommend replacing as a set. HIGH DURABILITY: The MEPRO HYPER-BRIGHT™ are drop- and shockproof, built for endless rounds under heavy recoil, and made of steel. Its ultralight, snag-free design is easy to draw and gives you instinctive aiming under pressure. In addition, these sights are reliable in any weather conditions.

# Safety Instruction Guide for HYPER BRIGHT FIXED PISTOL SET M&P

## Introduction

Congratulations on your purchase of the HYPER BRIGHT FIXED PISTOL SET M&P. This product is designed to enhance your shooting experience with its advanced tritium sight technology. To ensure safe and effective use of this product, please read and follow the safety guidelines outlined in this manual.

## General Safety Guidelines

- Always treat every firearm as if it is loaded.
- Keep the firearm pointed in a safe direction at all times.
- Store the firearm securely and out of reach of children.
- Use appropriate protective eyewear and hearing protection when shooting.
- Regularly inspect your sights for damage or wear.
- Follow all local laws and regulations regarding firearm ownership and use.
- Be aware of your surroundings and ensure a safe shooting environment.

## Specific Safety Precautions for Use

- Potential Hazards:**
  - Improper installation or use may lead to misalignment of sights, affecting accuracy.
  - Tritium is a radioactive material; however, it is safely contained within the sight vials.
- Avoiding Hazards:**
  - Ensure that the sights are installed by a qualified professional or follow the installation instructions carefully.
  - Do not attempt to disassemble the tritium vials; they are sealed and should remain intact.
- Age Restrictions:**
  - This product is intended for use by individuals aged 18 and older. Ensure that minors are supervised when handling firearms.

## Instructions for Installation and Usage

### • Installation:

- Ensure the firearm is unloaded and the safety is engaged.
- Remove the existing sights from your firearm according to the manufacturer's instructions.
- Align the HYPER BRIGHT FIXED PISTOL SIGHT with the mounting points on your firearm.
- Securely tighten the sights using the appropriate tools, ensuring they are properly aligned.
- Verify the installation by checking for stability and alignment before use.

### • Usage:

- The HYPER BRIGHT FIXED PISTOL SIGHT is designed for both day and night use.
- The bright tritium vials ensure visibility in lowlight conditions.
- Use contrasting colors to enhance target acquisition in various lighting scenarios.

## Disposal Instructions

- Dispose of the product in accordance with local regulations regarding electronic and hazardous waste.
- Do not incinerate or expose the product to extreme temperatures.
- Contact your local waste management authority for guidance on safe disposal methods for

tritium-containing products.

## Contact Information for Further Support

- For any safety inquiries or additional support, please refer to the manufacturer's website or customer service resources. Ensure you have the product details and any relevant information available for assistance.

By following these safety instructions, you can ensure a safe and enjoyable experience with your HYPER BRIGHT FIXED PISTOL SET M&P. Always prioritize safety and responsible firearm handling.
