

# HYPER BRIGHT FIXED PISTOL SET M&P - HYPER BRIGHT FIXED PISTOL FRONT S&W M&P FULL SIZE O RING

[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

A total eclipse of conventional brightness. It's the world's brightest handgun sight in any light, with tritium specially formulated to give you industry-first brilliance from broad daylight to midnight. These self-illuminated, fixed tritium sights feature an extremely bright colored ring front sight in your choice of green, yellow, or orange, delivering supreme visibility as a night sight or day-night sight. Contrasting front and rear sight colors help shooters focus on the front sight quicker for faster target acquisition in all lighting conditions. Because you can't predict when everything will depend on your sight's visibility, you can count on Hyper-Bright™. Every time. HYPER-BRIGHT CONCEPT: The MEPRO Hyper-Bright™ fixed Day and Night Sights offer the most reliable illumination for day or night. Mepro Hyper-Bright™ fixed sights feature an extremely bright fluorescent contrast colored ring in green or orange for fast target acquisition in the daytime. The yellow ring option is the sole option with phosphorescent paint that charges with light and glows in lowlight conditions for a short time in conjunction with the tritium. As a result, both rear and front tritium sources appear green in lowlight and nighttime. ALWAYS ON: Premium grade green Swiss-made Tritium vials in the front and rear sights allow for low light and nighttime conditions. The U-notch shape on the rear naturally directs your eyes to the top of the Front sight. No batteries, no switches – always on, always ready 24/7 for 12 years. Maintenance-free can be mounted directly with no modifications. Direct factory replacement, recommend replacing as a set. HIGH DURABILITY: The MEPRO HYPER-BRIGHT™ are drop- and shockproof, built for endless rounds under heavy recoil, and made of steel. Its ultralight, snag-free design is easy to draw and gives you instinctive aiming under pressure. In addition, these sights are reliable in any weather conditions.

# HYPER BRIGHT FIXED PISTOL SET M&P

## Safety Instruction Guide

### Introduction

Thank you for choosing the HYPER BRIGHT FIXED PISTOL SET M&P. This guide provides essential safety instructions and information to ensure the safe use and maintenance of your product. Please read this guide carefully before using the product.

### General Safety Guidelines

- **Product Safety:** Ensure safe use of your handgun sight by following all safety instructions provided in this guide.
- **Enhanced Recalls:** Stay informed about potential recalls. If a recall is issued, follow the instructions provided for safe return and remedy.
- **Online Shopping:** If purchased online, ensure that the seller complies with safety requirements similar to those of physical stores.
- **Special Consumer Focus:** This product is not intended for use by children. Keep out of reach of minors.
- **EU Contact Point:** For safety inquiries, please refer to the designated EU contact point provided by your seller.
- **Rapid Alerts:** Monitor the EU's Safety Gate platform for updates on unsafe products.

### Specific Safety Precautions for Use

- **Avoid Direct Eye Exposure:** Do not look directly into the tritium vials. The tritium is safe under normal use but should not be directly viewed.
- **Check for Damage:** Before each use, inspect the sights for any damage. Do not use if any part is damaged.
- **Proper Handling:** Always handle your firearm with care. Ensure it is unloaded when installing or inspecting the sight.
- **Installation:** Follow the installation instructions carefully to avoid improper fitting that may affect safety.
- **Weather Conditions:** While the sights are reliable in various weather conditions, avoid exposing them to extreme temperatures or moisture for extended periods.

### Instructions for Installation and Usage

#### 1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the old sight if applicable, following the manufacturer's instructions for your specific firearm model.
- Align the HYPER BRIGHT FIXED PISTOL SIGHT with the mounting area.
- Secure the sight according to the manufacturer's specifications, ensuring it is tightly fitted.

#### 2. Usage:

- When aiming, focus on the front sight for better target acquisition.
- Use the contrasting colors of the front and rear sights to enhance visibility in various lighting conditions.
- The sights are designed to be maintenancefree; however, regular checks for any signs of wear or damage are recommended.

## Disposal Instructions

- **Environmental Considerations:** Dispose of the product according to local regulations regarding electronic waste and hazardous materials.
- **Tritium Disposal:** If the tritium vials become damaged or are no longer functional, contact local authorities for proper disposal methods.

## Contact Information for Further Support

For any questions or concerns regarding the HYPER BRIGHT FIXED PISTOL SET M&P, please consult the contact information provided by your retailer or manufacturer. Ensure you have the product details on hand for efficient support.

By following these safety instructions and guidelines, you can ensure the safe and effective use of your HYPER BRIGHT FIXED PISTOL SET M&P. Always prioritize safety and responsible handling of your firearm.
