

HYPER BRIGHT FIXED PISTOL SET M&P - HYPER BRIGHT FIXED PISTOL FRONT S&W M&P FULL SIZE Y RING

[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

A total eclipse of conventional brightness. It's the world's brightest handgun sight in any light, with tritium specially formulated to give you industry-first brilliance from broad daylight to midnight. These self-illuminated, fixed tritium sights feature an extremely bright colored ring front sight in your choice of green, yellow, or orange, delivering supreme visibility as a night sight or day-night sight. Contrasting front and rear sight colors help shooters focus on the front sight quicker for faster target acquisition in all lighting conditions. Because you can't predict when everything will depend on your sight's visibility, you can count on Hyper-Bright™. Every time. HYPER-BRIGHT CONCEPT: The MEPRO Hyper-Bright™ fixed Day and Night Sights offer the most reliable illumination for day or night. Mepro Hyper-Bright™ fixed sights feature an extremely bright fluorescent contrast colored ring in green or orange for fast target acquisition in the daytime. The yellow ring option is the sole option with phosphorescent paint that charges with light and glows in lowlight conditions for a short time in conjunction with the tritium. As a result, both rear and front tritium sources appear green in lowlight and nighttime. ALWAYS ON: Premium grade green Swiss-made Tritium vials in the front and rear sights allow for low light and nighttime conditions. The U-notch shape on the rear naturally directs your eyes to the top of the Front sight. No batteries, no switches – always on, always ready 24/7 for 12 years. Maintenance-free can be mounted directly with no modifications. Direct factory replacement, recommend replacing as a set. HIGH DURABILITY: The MEPRO HYPER-BRIGHT™ are drop- and shockproof, built for endless rounds under heavy recoil, and made of steel. Its ultralight, snag-free design is easy to draw and gives you instinctive aiming under pressure. In addition, these sights are reliable in any weather conditions.

HYPER BRIGHT FIXED PISTOL SET M&P

Safety Instruction Guide

Introduction

Thank you for choosing the HYPER BRIGHT FIXED PISTOL SET M&P. This product is designed to enhance your shooting experience by providing superior visibility in various lighting conditions. To ensure safe and effective use of your pistol sights, please read this safety instruction guide carefully.

General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Ensure that you are familiar with local laws and regulations regarding firearm usage.
- Store your firearm and sights securely to prevent unauthorized access.
- Inspect your sights regularly for any signs of damage or wear.
- Use only recommended accessories and components with your firearm.

Specific Safety Precautions for Use

- **Avoid Pointing at Yourself or Others:** Always keep the muzzle pointed in a safe direction.
- **Check for Obstructions:** Before using your sights, ensure that there are no obstructions in your line of sight.
- **Use in Appropriate Conditions:** The HYPER BRIGHT sights are designed for both day and night use. However, avoid using them in conditions where visibility is severely compromised (e.g., fog, heavy rain).
- **Age Restrictions:** This product is not intended for use by individuals under the age of 18. Ensure that minors are supervised by a responsible adult when handling firearms.

Instructions for Installation and Usage

1. Installation:

- Ensure your firearm is unloaded and pointed in a safe direction.
- Remove the old sights using appropriate tools.
- Align the new HYPER BRIGHT sights with the mounting points on your firearm.
- Secure the sights according to the manufacturer's specifications.
- Doublecheck the alignment and ensure the sights are firmly attached.

2. Usage:

- When aiming, focus on the front sight for improved target acquisition.
- The colored ring front sight is available in green, yellow, or orange. Choose the color that provides the best visibility for your environment.
- The tritium illumination will ensure visibility in low light conditions. There are no batteries or switches required for operation.
- Regularly check the sights for any signs of wear or damage, especially if the firearm has been subjected to heavy recoil.

Disposal Instructions

- Dispose of the HYPER BRIGHT sights in accordance with local regulations regarding electronic waste and hazardous materials.
- Do not dispose of the product in regular household waste.
- Contact your local waste management authority for information on proper disposal methods.

Contact Information for Further Support

For any safety inquiries or concerns regarding the HYPER BRIGHT FIXED PISTOL SET M&P, please refer to the manufacturer's website or customer service resources.

Conclusion

The HYPER BRIGHT FIXED PISTOL SET M&P is designed for optimal performance and safety. By following the guidelines and instructions provided in this manual, you can ensure a safe and effective shooting experience. Always prioritize safety and be aware of your surroundings when handling firearms. Thank you for your attention to these safety instructions.
