

HYPER BRIGHT FIXED PISTOL SET H&K - HYPER BRIGHT FIXED PISTOL SET H&K 45,P30,VP9,SFP9(NOT VP2020) G RING/G

[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

A total eclipse of conventional brightness. It's the world's brightest handgun sight in any light, with tritium specially formulated to give you industry-first brilliance from broad daylight to midnight. These self-illuminated, fixed tritium sights feature an extremely bright colored ring front sight in your choice of green, yellow, or orange, delivering supreme visibility as a night sight or day-night sight. Contrasting front and rear sight colors help shooters focus on the front sight quicker for faster target acquisition in all lighting conditions. Because you can't predict when everything will depend on your sight's visibility, you can count on Hyper-Bright™. Every time. HYPER-BRIGHT CONCEPT: The MEPRO Hyper-Bright™ fixed Day and Night Sights offer the most reliable illumination for day or night. Mepro Hyper-Bright™ fixed sights feature an extremely bright fluorescent contrast colored ring in green or orange for fast target acquisition in the daytime. The yellow ring option is the sole option with phosphorescent paint that charges with light and glows in lowlight conditions for a short time in conjunction with the tritium. As a result, both rear and front tritium sources appear green in lowlight and nighttime. ALWAYS ON: Premium grade green Swiss-made Tritium vials in the front and rear sights allow for low light and nighttime conditions. The U-notch shape on the rear naturally directs your eyes to the top of the Front sight. No batteries, no switches – always on, always ready 24/7 for 12 years. Maintenance-free can be mounted directly with no modifications. Direct factory replacement, recommend replacing as a set. HIGH DURABILITY: The MEPRO HYPER-BRIGHT™ are drop- and shockproof, built for endless rounds under heavy recoil, and made of steel. Its ultralight, snag-free design is easy to draw and gives you instinctive aiming under pressure. In addition, these sights are reliable in any weather conditions.

HYPER BRIGHT FIXED PISTOL SET Safety Instruction Guide

Introduction

Thank you for choosing the HYPER BRIGHT FIXED PISTOL SET. This guide provides essential safety instructions to ensure the safe use of your new handgun sight. Please read this guide carefully before installation and use, and keep it for future reference.

General Safety Guidelines

- **Product Safety:** Ensure safe use of the HYPER BRIGHT FIXED PISTOL SET. Follow all instructions to avoid risks associated with improper use.
- **Enhanced Recalls:** Stay informed about any recall notices through official channels. If a recall occurs, follow the instructions provided for safe product return or remedy.
- **Online Shopping:** If purchased online, ensure that the seller complies with all safety requirements as mandated by EU regulations.
- **Special Consumer Focus:** This product is not intended for use by children. Always store in a secure location away from minors.
- **EU Contact Point:** For any safety inquiries, ensure you have access to an EU-based contact for assistance.
- **Rapid Alerts:** Monitor the EU Safety Gate platform for any updates regarding unsafe products.

Specific Safety Precautions for Use

- **Avoid Direct Eye Contact:** Do not look directly at the tritium sights when illuminated, as this can cause temporary vision impairment.
- **Check Compatibility:** Ensure that the HYPER BRIGHT FIXED PISTOL SET is compatible with your firearm model (H&K 45, P30, VP9, SFP9) before installation.
- **Inspect Before Use:** Regularly inspect the sights for any signs of damage or wear. Do not use if damaged.
- **Secure Installation:** Ensure sights are securely mounted before use to prevent any accidents during operation.
- **Use in Appropriate Conditions:** The sights are designed for low light and nighttime conditions. Avoid using in environments where visibility is compromised.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing sights according to the firearm manufacturer's instructions.
- Align the HYPER BRIGHT FIXED PISTOL SET with the mounting points on your firearm.
- Securely attach the sights, ensuring they are firmly in place without any movement.
- Confirm that the sights are properly aligned for accurate aiming.

2. Usage:

- Always practice safe firearm handling procedures.
- Use the sights in low light or nighttime conditions for optimal visibility.
- Focus on the front sight for improved target acquisition.
- Store the firearm securely when not in use, keeping it out of reach of unauthorized persons.

Disposal Instructions

- **Disposal of Old Sights:** If replacing old sights, dispose of them in accordance with local regulations. Do not dispose of in regular household waste.
- **Tritium Safety:** The tritium vials are safely contained within the sights. If a vial is damaged, do not handle it directly. Follow local hazardous waste disposal guidelines.

Contact Information for Further Support

For any questions or concerns regarding the HYPER BRIGHT FIXED PISTOL SET, please contact your local retailer or the manufacturer directly. Ensure you have your purchase information available for reference.

By following these safety instructions, you can ensure a safe and effective experience with your HYPER BRIGHT FIXED PISTOL SET. Always prioritize safety and responsible usage.
