

# HYPER BRIGHT FIXED PISTOL SET CZ - HYPER BRIGHT FIXED PISTOL FRONT CZ P10 G RING

[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

A total eclipse of conventional brightness. It's the world's brightest handgun sight in any light, with tritium specially formulated to give you industry-first brilliance from broad daylight to midnight. These self-illuminated, fixed tritium sights feature an extremely bright colored ring front sight in your choice of green, yellow, or orange, delivering supreme visibility as a night sight or day-night sight. Contrasting front and rear sight colors help shooters focus on the front sight quicker for faster target acquisition in all lighting conditions. Because you can't predict when everything will depend on your sight's visibility, you can count on Hyper-Bright™. Every time. HYPER-BRIGHT CONCEPT: The MEPRO Hyper-Bright™ fixed Day and Night Sights offer the most reliable illumination for day or night. Mepro Hyper-Bright™ fixed sights feature an extremely bright fluorescent contrast colored ring in green or orange for fast target acquisition in the daytime. The yellow ring option is the sole option with phosphorescent paint that charges with light and glows in lowlight conditions for a short time in conjunction with the tritium. As a result, both rear and front tritium sources appear green in lowlight and nighttime. ALWAYS ON: Premium grade green Swiss-made Tritium vials in the front and rear sights allow for low light and nighttime conditions. The U-notch shape on the rear naturally directs your eyes to the top of the Front sight. No batteries, no switches – always on, always ready 24/7 for 12 years. Maintenance-free can be mounted directly with no modifications. Direct factory replacement, recommend replacing as a set. HIGH DURABILITY: The MEPRO HYPER-BRIGHT™ are drop- and shockproof, built for endless rounds under heavy recoil, and made of steel. Its ultralight, snag-free design is easy to draw and gives you instinctive aiming under pressure. In addition, these sights are reliable in any weather conditions.

# HYPER BRIGHT FIXED PISTOL SET CZ Safety Instruction Guide

## Introduction

Thank you for choosing the HYPER BRIGHT FIXED PISTOL SET CZ. This guide provides essential safety instructions and information to ensure the safe use and maintenance of your product. Please read this guide carefully before use.

## General Safety Guidelines

- Ensure the product is used in accordance with the manufacturer's instructions.
- Always handle the firearm responsibly and store it securely.
- Keep the product out of reach of children and unauthorized users.
- Regularly check for any signs of damage or wear that could affect performance.
- Be aware of your surroundings and ensure a safe environment when using the product.
- Report any unsafe products or accidents to the relevant authorities.

## Specific Safety Precautions for Use

- Always treat the firearm as if it is loaded.
- Never point the firearm at anything you do not intend to shoot.
- Keep your finger off the trigger until you are ready to shoot.
- Ensure the sights are properly installed to avoid misalignment.
- Use only compatible ammunition with your firearm to prevent malfunctions.
- Avoid using the product in adverse weather conditions that could impair visibility or handling.
- If you experience any issues with the sights, cease use immediately and consult a professional.

## Instructions for Installation and Usage

### Installation

1. **Preparation:** Ensure you have the necessary tools for installation. Read the firearm's manual for specific instructions regarding sight installation.
2. **Remove Old Sights:** If replacing existing sights, carefully remove them using appropriate tools to avoid damaging the firearm.
3. **Install New Sights:** Align the HYPER BRIGHT FIXED PISTOL SIGHTS with the mounting points on your firearm. Ensure they are securely fastened.
4. **Check Alignment:** Once installed, check the alignment of the sights to ensure they are straight and properly positioned.

### Usage

- **Daylight Use:** The HYPER BRIGHT sights are designed for optimal visibility in both daylight and lowlight conditions. Ensure that you are familiar with the sight picture before engaging in shooting.
- **Nighttime Use:** The tritium illumination provides visibility in lowlight conditions. Remember that the sights will remain illuminated for up to 12 years without the need for batteries.
- **Maintenance:** Regularly clean the sights using a soft cloth. Avoid using abrasive materials that could scratch the surfaces.

## Disposal Instructions

- Dispose of the product in accordance with local regulations.

- Do not dispose of the product in regular household waste.
- Contact local waste management authorities for guidance on the proper disposal of firearm accessories.

## **Contact Information for Further Support**

For any questions or concerns regarding product safety or performance, please reach out to the manufacturer or your local authorized dealer for support.

Please ensure you keep this guide for future reference and share it with anyone who may use the HYPER BRIGHT FIXED PISTOL SET CZ. Your safety is our priority.
