

# HYPER BRIGHT FIXED PISTOL SET CZ SHADOW - HYPER BRIGHT FIXED PISTOL FRONT CZ SHADOW 2 G RING

[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

A total eclipse of conventional brightness. It's the world's brightest handgun sight in any light, with tritium specially formulated to give you industry-first brilliance from broad daylight to midnight. These self-illuminated, fixed tritium sights feature an extremely bright colored ring front sight in your choice of green, yellow, or orange, delivering supreme visibility as a night sight or day-night sight. Contrasting front and rear sight colors help shooters focus on the front sight quicker for faster target acquisition in all lighting conditions. Because you can't predict when everything will depend on your sight's visibility, you can count on Hyper-Bright™. Every time. HYPER-BRIGHT CONCEPT: The MEPRO Hyper-Bright™ fixed Day and Night Sights offer the most reliable illumination for day or night. Mepro Hyper-Bright™ fixed sights feature an extremely bright fluorescent contrast colored ring in green or orange for fast target acquisition in the daytime. The yellow ring option is the sole option with phosphorescent paint that charges with light and glows in lowlight conditions for a short time in conjunction with the tritium. As a result, both rear and front tritium sources appear green in lowlight and nighttime. ALWAYS ON: Premium grade green Swiss-made Tritium vials in the front and rear sights allow for low light and nighttime conditions. The U-notch shape on the rear naturally directs your eyes to the top of the Front sight. No batteries, no switches – always on, always ready 24/7 for 12 years. Maintenance-free can be mounted directly with no modifications. Direct factory replacement, recommend replacing as a set. HIGH DURABILITY: The MEPRO HYPER-BRIGHT™ are drop- and shockproof, built for endless rounds under heavy recoil, and made of steel. Its ultralight, snag-free design is easy to draw and gives you instinctive aiming under pressure. In addition, these sights are reliable in any weather conditions.

# Safety Instruction Guide for HYPER BRIGHT FIXED PISTOL SET CZ SHADOW

## Introduction

Thank you for choosing the HYPER BRIGHT FIXED PISTOL SET CZ SHADOW. This guide provides essential safety instructions and information to ensure the safe use of your product. Please read this guide carefully before use to understand how to handle and maintain your sights properly.

## General Safety Guidelines

- **Product Safety:** Ensure safe use of the HYPER BRIGHT FIXED PISTOL SET. This product is designed to meet EU safety standards, providing reliable performance in various lighting conditions.
- **Enhanced Recalls:** Stay informed about any recalls or safety notices related to this product. If a recall occurs, follow the instructions provided for safe returns or remedies.
- **Online Shopping:** When purchasing online, ensure that the retailer complies with EU safety requirements.
- **Special Consumer Focus:** This product is not intended for use by children. Keep out of reach of minors to prevent accidents.
- **EU Contact Point:** For safety inquiries, refer to the designated EU contact point provided by the manufacturer.
- **Rapid Alerts:** Regularly check the EU Safety Gate platform for updates on product safety and recalls.

## Specific Safety Precautions for Use

- **Proper Handling:** Always handle your firearm safely and responsibly. Ensure the firearm is unloaded before installing or adjusting sights.
- **Visibility:** The tritium sights are designed for lowlight conditions. Ensure you understand how to use them effectively in various lighting environments.
- **Regular Inspection:** Periodically check the sights for any signs of damage or wear. Replace as necessary to maintain optimal performance.
- **Avoid Modifications:** Do not attempt to modify the sights or the firearm. Any alterations may compromise safety and performance.
- **Environmental Considerations:** Use the sights in appropriate weather conditions. Extreme temperatures or moisture may affect performance.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing sights if applicable, following the manufacturer's instructions.
- Align the HYPER BRIGHT sights with the mounting points on the firearm.
- Secure the sights in place according to the manufacturer's guidelines.
- Confirm that the sights are fixed securely before use.

### 2. Usage:

- Familiarize yourself with the sight picture provided by the HYPER BRIGHT sights.
- Practice aiming in different lighting conditions to adjust to the brightness of the sights.
- Use the contrasting colors of the front and rear sights to aid in target acquisition.

## Disposal Instructions

- **Environmental Responsibility:** Dispose of the HYPER BRIGHT FIXED PISTOL SET in accordance with local regulations for hazardous materials.
- **Battery Disposal:** Although the sights do not use batteries, any components that might contain hazardous materials should be disposed of properly.
- **Contact Local Authorities:** For guidance on safe disposal methods, contact your local waste management authority.

## Contact Information for Further Support

If you have any questions or need assistance regarding the HYPER BRIGHT FIXED PISTOL SET CZ SHADOW, please refer to the manufacturer's official website or contact their customer support for detailed information and support.

Thank you for prioritizing safety while using the HYPER BRIGHT FIXED PISTOL SET. Your adherence to these guidelines will help ensure a safe and enjoyable experience.
