

# HYPER BRIGHT FIXED PISTOL SET KIMBER - HYPER BRIGHT FIXED PISTOL SET KIMBER 1911 G RING/G

[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

A total eclipse of conventional brightness. It's the world's brightest handgun sight in any light, with tritium specially formulated to give you industry-first brilliance from broad daylight to midnight. These self-illuminated, fixed tritium sights feature an extremely bright colored ring front sight in your choice of green, yellow, or orange, delivering supreme visibility as a night sight or day-night sight. Contrasting front and rear sight colors help shooters focus on the front sight quicker for faster target acquisition in all lighting conditions. Because you can't predict when everything will depend on your sight's visibility, you can count on Hyper-Bright™. Every time. HYPER-BRIGHT CONCEPT: The MEPRO Hyper-Bright™ fixed Day and Night Sights offer the most reliable illumination for day or night. Mepro Hyper-Bright™ fixed sights feature an extremely bright fluorescent contrast colored ring in green or orange for fast target acquisition in the daytime. The yellow ring option is the sole option with phosphorescent paint that charges with light and glows in lowlight conditions for a short time in conjunction with the tritium. As a result, both rear and front tritium sources appear green in lowlight and nighttime. ALWAYS ON: Premium grade green Swiss-made Tritium vials in the front and rear sights allow for low light and nighttime conditions. The U-notch shape on the rear naturally directs your eyes to the top of the Front sight. No batteries, no switches - always on, always ready 24/7 for 12 years. Maintenance-free can be mounted directly with no modifications. Direct factory replacement, recommend replacing as a set. HIGH DURABILITY: The MEPRO HYPER-BRIGHT™ are drop- and shockproof, built for endless rounds under heavy recoil, and made of steel. Its ultralight, snag-free design is easy to draw and gives you instinctive aiming under pressure. In addition, these sights are reliable in any weather conditions.

# HYPER BRIGHT FIXED PISTOL SET KIMBER Safety Instruction Guide

## Introduction

Thank you for choosing the HYPER BRIGHT FIXED PISTOL SET KIMBER. This guide provides important safety information and instructions to ensure the safe and effective use of your handgun sights. Please read this guide carefully before using the product.

## General Safety Guidelines

- **Product Safety:** Ensure safe use of the HYPER BRIGHT FIXED PISTOL SET KIMBER by following all instructions and safety precautions.
- **Enhanced Recalls:** Stay informed about any recalls or safety updates related to your product. Follow the instructions provided in recall notices.
- **Online Shopping:** If you purchased this product online, ensure that the platform complies with safety requirements.
- **Special Consumer Focus:** Extra care should be taken when using this product around vulnerable groups, such as children.
- **EU Contact Point:** For any safety inquiries, ensure you have access to an EU-based contact.
- **Rapid Alerts:** Regularly check for updates on unsafe products via the EU Safety Gate platform.

## Specific Safety Precautions for Use

- Always ensure that the firearm is unloaded before installing or adjusting the sights.
- Do not modify the sights or the firearm in any way that could compromise safety.
- Use the sights in accordance with the manufacturer's instructions.
- Regularly inspect the sights for any signs of damage or wear.
- Ensure that the sights are securely mounted before use.
- Avoid using the sights in extreme weather conditions that could impair visibility.
- Keep the sights clean and free from debris to maintain optimal visibility.

## Instructions for Installation and Usage

### Installation Instructions

1. **Preparation:** Ensure the firearm is unloaded and safe to handle.
2. **Remove Old Sights:** If applicable, carefully remove the existing sights from the firearm using appropriate tools.
3. **Install New Sights:**
  - Align the front sight with the designated mounting area on the firearm.
  - Securely fasten the front sight in place according to the manufacturer's specifications.
  - Repeat the process for the rear sight, ensuring proper alignment and secure fastening.
4. **Check Alignment:** Once installed, check the alignment of both sights to ensure they are straight and correctly positioned.

### Usage Instructions

- **Target Acquisition:** Use the contrasting colors of the front and rear sights to quickly focus on the target.
- **Visibility:** Rely on the self-illuminating features of the sights for visibility in low light conditions.
- **Maintenance:** No batteries or switches are required. The sights are always on and ready for use. However, regular inspections are recommended.

## **Disposal Instructions**

- Dispose of any packaging materials responsibly and in accordance with local regulations.
- If the product reaches the end of its life, dispose of it in a manner that complies with local electronic waste disposal regulations.
- Ensure that any hazardous materials are handled according to environmental safety guidelines.

## **Contact Information for Further Support**

For additional information or support regarding the HYPER BRIGHT FIXED PISTOL SET KIMBER, please refer to the manufacturer's website or contact customer support through the appropriate channels.

By following these guidelines and instructions, you can ensure the safe and effective use of your HYPER BRIGHT FIXED PISTOL SET KIMBER. Always prioritize safety and stay informed about any updates or recalls related to your product. Thank you for your attention to these important safety instructions.
