

HYPER BRIGHT FIXED PISTOL SET KIMBER - HYPER BRIGHT FIXED PISTOL SET KIMBER 1911 O RING/G

[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

A total eclipse of conventional brightness. It's the world's brightest handgun sight in any light, with tritium specially formulated to give you industry-first brilliance from broad daylight to midnight. These self-illuminated, fixed tritium sights feature an extremely bright colored ring front sight in your choice of green, yellow, or orange, delivering supreme visibility as a night sight or day-night sight. Contrasting front and rear sight colors help shooters focus on the front sight quicker for faster target acquisition in all lighting conditions. Because you can't predict when everything will depend on your sight's visibility, you can count on Hyper-Bright™. Every time. HYPER-BRIGHT CONCEPT: The MEPRO Hyper-Bright™ fixed Day and Night Sights offer the most reliable illumination for day or night. Mepro Hyper-Bright™ fixed sights feature an extremely bright fluorescent contrast colored ring in green or orange for fast target acquisition in the daytime. The yellow ring option is the sole option with phosphorescent paint that charges with light and glows in lowlight conditions for a short time in conjunction with the tritium. As a result, both rear and front tritium sources appear green in lowlight and nighttime. ALWAYS ON: Premium grade green Swiss-made Tritium vials in the front and rear sights allow for low light and nighttime conditions. The U-notch shape on the rear naturally directs your eyes to the top of the Front sight. No batteries, no switches - always on, always ready 24/7 for 12 years. Maintenance-free can be mounted directly with no modifications. Direct factory replacement, recommend replacing as a set. HIGH DURABILITY: The MEPRO HYPER-BRIGHT™ are drop- and shockproof, built for endless rounds under heavy recoil, and made of steel. Its ultralight, snag-free design is easy to draw and gives you instinctive aiming under pressure. In addition, these sights are reliable in any weather conditions.

HYPER BRIGHT FIXED PISTOL SET KIMBER Safety Instruction Guide

Introduction

The HYPER BRIGHT FIXED PISTOL SET KIMBER is designed to enhance your shooting experience with its innovative tritium sights. This guide provides essential safety instructions to ensure the safe use of your product in compliance with the EU General Product Safety Regulation (GPSR). Please read this guide thoroughly before using the product.

General Safety Guidelines

- Always treat every firearm as if it is loaded.
- Ensure that the firearm is pointed in a safe direction at all times.
- Keep your finger off the trigger until you are ready to shoot.
- Be aware of your surroundings and ensure that your shooting area is clear of people and obstacles.
- Regularly inspect your firearm and sights for any signs of damage or wear.
- Store your firearm and sights in a secure location, out of reach of children and unauthorized users.

Specific Safety Precautions for Use

- **Hazard Identification:**
 - Improper use or handling of the firearm can lead to serious injury or death.
 - The tritium sights are designed for low light conditions; do not rely solely on them in bright light.
- **Avoiding Hazards:**
 - Always ensure that you are familiar with the operation of your firearm before use.
 - Do not modify the sights or firearm in any way that may compromise safety.
 - Use the sights only as intended and follow all manufacturer instructions.
- **Audience Specific Warnings:**
 - This product is intended for adult use only. Keep out of reach of children.
 - Ensure that all users are trained in firearm safety and handling.

Instructions for Installation and Usage

- **Installation:**
 - Ensure that the firearm is unloaded before installation.
 - Remove the existing sights according to the manufacturer's instructions.
 - Align the HYPER BRIGHT FIXED PISTOL SET KIMBER sights with the sight dovetail.
 - Secure the sights using the appropriate tools, ensuring they are firmly in place.
- **Usage:**
 - Practice using the sights in a safe environment before using them in the field.
 - Adjust your aim as necessary, using the bright colored rings for improved visibility.
 - Remember that the sights are designed to be maintenance free and do not require batteries.

Disposal Instructions

- Dispose of the product in accordance with local regulations for hazardous materials.
- Do not dispose of the product in regular household waste.
- Contact local waste management authorities for guidance on proper disposal methods.

Contact Information for Further Support

For any safety inquiries or assistance regarding the HYPER BRIGHT FIXED PISTOL SET KIMBER, please refer to the manufacturer's contact information provided with the product.

Thank you for choosing the HYPER BRIGHT FIXED PISTOL SET KIMBER. Your safety is our priority, and we encourage you to follow these guidelines to ensure a safe and enjoyable shooting experience.
