

# HYPER BRIGHT FIXED PISTOL SET KIMBER - HYPER BRIGHT FIXED PISTOL SET KIMBER 1911 WEDGE G RING/G

[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

A total eclipse of conventional brightness. It's the world's brightest handgun sight in any light, with tritium specially formulated to give you industry-first brilliance from broad daylight to midnight. These self-illuminated, fixed tritium sights feature an extremely bright colored ring front sight in your choice of green, yellow, or orange, delivering supreme visibility as a night sight or day-night sight. Contrasting front and rear sight colors help shooters focus on the front sight quicker for faster target acquisition in all lighting conditions. Because you can't predict when everything will depend on your sight's visibility, you can count on Hyper-Bright™. Every time. HYPER-BRIGHT CONCEPT: The MEPRO Hyper-Bright™ fixed Day and Night Sights offer the most reliable illumination for day or night. Mepro Hyper-Bright™ fixed sights feature an extremely bright fluorescent contrast colored ring in green or orange for fast target acquisition in the daytime. The yellow ring option is the sole option with phosphorescent paint that charges with light and glows in lowlight conditions for a short time in conjunction with the tritium. As a result, both rear and front tritium sources appear green in lowlight and nighttime. ALWAYS ON: Premium grade green Swiss-made Tritium vials in the front and rear sights allow for low light and nighttime conditions. The U-notch shape on the rear naturally directs your eyes to the top of the Front sight. No batteries, no switches - always on, always ready 24/7 for 12 years. Maintenance-free can be mounted directly with no modifications. Direct factory replacement, recommend replacing as a set. HIGH DURABILITY: The MEPRO HYPER-BRIGHT™ are drop- and shockproof, built for endless rounds under heavy recoil, and made of steel. Its ultralight, snag-free design is easy to draw and gives you instinctive aiming under pressure. In addition, these sights are reliable in any weather conditions.

# HYPER BRIGHT FIXED PISTOL SET KIMBER Safety Instruction Guide

## Introduction

Thank you for choosing the HYPER BRIGHT FIXED PISTOL SET KIMBER. This guide provides essential safety instructions and guidelines to ensure safe and effective use of your product. Please read this document carefully before using the sights.

## General Safety Guidelines

- Ensure that the product is suitable for your firearm model before installation.
- Always handle firearms with care and follow all local laws and regulations regarding firearm safety.
- Keep the sights clean and free from obstructions to maintain optimal visibility.
- Regularly check the sights for any signs of damage or wear. Replace if necessary.
- Store the firearm in a secure location, away from children and unauthorized users.
- In case of any malfunction or abnormal operation, cease use immediately and consult a qualified gunsmith.

## Specific Safety Precautions for Use

- **Visibility:** The HYPER BRIGHT™ sights are designed for lowlight conditions. Ensure that you understand how to use the sights effectively in various lighting situations.
- **Target Acquisition:** Practice using the sights in a controlled environment to familiarize yourself with their aiming capabilities.
- **Age Restrictions:** This product is intended for use by individuals aged 18 and over. Ensure that younger users are supervised by an adult.
- **Environmental Conditions:** Be aware that extreme weather conditions may affect visibility. Always assess your environment before use.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing sights according to the manufacturer's instructions.
- Align the HYPER BRIGHT™ sights with the mounting points on your firearm.
- Secure the sights in place using the appropriate tools, ensuring they are firmly attached.
- Doublecheck that the sights are aligned correctly before use.

### 2. Usage:

- When aiming, focus on the front sight to enhance target acquisition.
- Utilize the colored ring for improved visibility in varying light conditions.
- Practice aiming in different lighting scenarios to become accustomed to the sights.
- Regularly assess your aiming technique and adjust as necessary for optimal performance.

## Disposal Instructions

- Dispose of the product in accordance with local regulations for hazardous materials.
- Do not incinerate or dismantle the tritium vials as they contain radioactive materials.
- Contact your local waste management authority for guidance on safe disposal methods.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding the HYPER BRIGHT FIXED PISTOL SET KIMBER, please contact the manufacturer directly. Ensure you have the product details and any relevant information ready for assistance.

## **Conclusion**

By following these safety guidelines and instructions, you can ensure a safe and enjoyable experience with your HYPER BRIGHT FIXED PISTOL SET KIMBER. Always prioritize safety and responsible usage. Thank you for your attention to these important instructions.
