

HYPER BRIGHT FIXED PISTOL SET KIMBER - HYPER BRIGHT FIXED PISTOL SET KIMBER K6&DASA REVO O RING/G

[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

A total eclipse of conventional brightness. It's the world's brightest handgun sight in any light, with tritium specially formulated to give you industry-first brilliance from broad daylight to midnight. These self-illuminated, fixed tritium sights feature an extremely bright colored ring front sight in your choice of green, yellow, or orange, delivering supreme visibility as a night sight or day-night sight. Contrasting front and rear sight colors help shooters focus on the front sight quicker for faster target acquisition in all lighting conditions. Because you can't predict when everything will depend on your sight's visibility, you can count on Hyper-Bright™. Every time. HYPER-BRIGHT CONCEPT: The MEPRO Hyper-Bright™ fixed Day and Night Sights offer the most reliable illumination for day or night. Mepro Hyper-Bright™ fixed sights feature an extremely bright fluorescent contrast colored ring in green or orange for fast target acquisition in the daytime. The yellow ring option is the sole option with phosphorescent paint that charges with light and glows in lowlight conditions for a short time in conjunction with the tritium. As a result, both rear and front tritium sources appear green in lowlight and nighttime. ALWAYS ON: Premium grade green Swiss-made Tritium vials in the front and rear sights allow for low light and nighttime conditions. The U-notch shape on the rear naturally directs your eyes to the top of the Front sight. No batteries, no switches – always on, always ready 24/7 for 12 years. Maintenance-free can be mounted directly with no modifications. Direct factory replacement, recommend replacing as a set. HIGH DURABILITY: The MEPRO HYPER-BRIGHT™ are drop- and shockproof, built for endless rounds under heavy recoil, and made of steel. Its ultralight, snag-free design is easy to draw and gives you instinctive aiming under pressure. In addition, these sights are reliable in any weather conditions.

HYPER BRIGHT FIXED PISTOL SET KIMBER Safety Instruction Guide

Introduction

Thank you for choosing the HYPER BRIGHT FIXED PISTOL SET KIMBER. This guide provides essential safety instructions to ensure the safe use and maintenance of your product. Please read this guide carefully and keep it for future reference.

General Safety Guidelines

- Always ensure that the firearm is unloaded before installing or adjusting the sights.
- Keep the firearm pointed in a safe direction at all times.
- Store the firearm and sights in a secure location, away from children and unauthorized users.
- Regularly check the sights for any signs of wear or damage.
- Follow all local laws and regulations regarding firearm usage and safety.

Specific Safety Precautions for Use

- When using the HYPER BRIGHT sights:
 - Be aware of your surroundings and ensure that you have a clear line of sight.
 - Avoid using the sights in conditions where visibility is severely compromised, such as heavy fog or extreme darkness without proper lighting.
 - Do not attempt to modify or disassemble the sights, as this may compromise their integrity and safety.
- The sights are designed for adult use. Keep them out of reach of children and inexperienced users.
- If you notice any irregularities in the performance of the sights, discontinue use immediately and consult a professional.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the old sights if applicable, following the manufacturer's instructions.
- Align the HYPER BRIGHT sights with the mounting points on your firearm.
- Securely fasten the sights according to the manufacturer's specifications, ensuring they are tightly in place.

2. Usage:

- To use the sights effectively:
 - Align the front and rear sights with your target.
 - Focus on the front sight while keeping the rear sight in your peripheral vision.
 - Practice regularly to become familiar with the sight alignment and aiming process.
- The sights are designed to be always on, requiring no batteries or switches. Ensure they are clean and free from obstructions.

Disposal Instructions

- When disposing of the HYPER BRIGHT sights, follow local regulations regarding electronic waste and materials containing tritium.
- Do not dispose of the sights in regular household waste.

- Contact your local waste management authority for guidance on safe disposal practices.

Contact Information for Further Support

For any safety inquiries or concerns regarding the HYPER BRIGHT FIXED PISTOL SET KIMBER, please reach out to the manufacturer or your retailer for assistance. They can provide you with the necessary support and information.

Thank you for your attention to these safety instructions. Your safety and the safety of others is our top priority. Enjoy the enhanced visibility and performance of your HYPER BRIGHT FIXED PISTOL SET KIMBER.
