

HYPER BRIGHT FIXED PISTOL SET KIMBER - HYPER BRIGHT FIXED PISTOL FRONT KIMBER K6&DASA REVO O RING

[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

A total eclipse of conventional brightness. It's the world's brightest handgun sight in any light, with tritium specially formulated to give you industry-first brilliance from broad daylight to midnight. These self-illuminated, fixed tritium sights feature an extremely bright colored ring front sight in your choice of green, yellow, or orange, delivering supreme visibility as a night sight or day-night sight. Contrasting front and rear sight colors help shooters focus on the front sight quicker for faster target acquisition in all lighting conditions. Because you can't predict when everything will depend on your sight's visibility, you can count on Hyper-Bright™. Every time. HYPER-BRIGHT CONCEPT: The MEPRO Hyper-Bright™ fixed Day and Night Sights offer the most reliable illumination for day or night. Mepro Hyper-Bright™ fixed sights feature an extremely bright fluorescent contrast colored ring in green or orange for fast target acquisition in the daytime. The yellow ring option is the sole option with phosphorescent paint that charges with light and glows in lowlight conditions for a short time in conjunction with the tritium. As a result, both rear and front tritium sources appear green in lowlight and nighttime. ALWAYS ON: Premium grade green Swiss-made Tritium vials in the front and rear sights allow for low light and nighttime conditions. The U-notch shape on the rear naturally directs your eyes to the top of the Front sight. No batteries, no switches – always on, always ready 24/7 for 12 years. Maintenance-free can be mounted directly with no modifications. Direct factory replacement, recommend replacing as a set. HIGH DURABILITY: The MEPRO HYPER-BRIGHT™ are drop- and shockproof, built for endless rounds under heavy recoil, and made of steel. Its ultralight, snag-free design is easy to draw and gives you instinctive aiming under pressure. In addition, these sights are reliable in any weather conditions.

Safety Instruction Guide for HYPER BRIGHT FIXED PISTOL SET KIMBER

Introduction

Thank you for choosing the HYPER BRIGHT FIXED PISTOL SET KIMBER. This guide provides important safety instructions and guidelines to ensure the safe use of your product. Please read this manual carefully before using the sights to maximize safety and performance.

General Safety Guidelines

- Ensure that all users of this product are aware of and understand these safety guidelines.
- Always handle firearms and their accessories with care and in accordance with applicable laws and regulations.
- Keep this product out of reach of children and unauthorized users.
- Regularly inspect the sights for any signs of damage or wear before use.
- If you notice any defects or irregularities, discontinue use immediately and consult a qualified professional.

Specific Safety Precautions for Use

- Always treat your firearm as if it is loaded, even if you believe it to be unloaded.
- Ensure that the firearm is pointed in a safe direction at all times.
- Use the sights only as intended and for compatible firearms.
- Avoid using the sights in extreme weather conditions that may impair visibility or performance.
- Be aware of your surroundings and ensure a safe shooting environment.
- Do not attempt to modify or alter the sights in any way.

Instructions for Installation and Usage

Installation

1. Remove the existing sights from your firearm according to the manufacturer's instructions.
2. Carefully align the HYPER BRIGHT FIXED PISTOL SIGHT with the mounting points on your firearm.
3. Secure the sights using the appropriate screws or mounting hardware supplied with the product.
4. Ensure that the sights are firmly attached and do not move when tested.

Usage

- The HYPER BRIGHT FIXED PISTOL SIGHT is designed for use in various lighting conditions.
- The selfilluminated tritium technology ensures visibility in lowlight environments.
- Focus on the front sight for faster target acquisition.
- Regularly check the brightness of the sights, especially if used frequently in lowlight conditions.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding electronic and hazardous waste.
- Do not dispose of the product in regular household waste.
- Contact your local waste management authority for information on safe disposal options.

Contact Information for Further Support

For any inquiries regarding safety, installation, or usage, please contact the manufacturer or your local

authorized dealer. They can provide you with the necessary support and information.

Regulatory Compliance

This product complies with the EU General Product Safety Regulation (GPSR). It has been designed with safety in mind, and all potential hazards have been identified and addressed in the instructions provided.

- For any safety inquiries or to report unsafe products, please refer to the EU's Safety Gate platform for updated information and alerts.

Conclusion

Your safety is our priority. By following these guidelines and instructions, you can ensure a safe and enjoyable experience with the HYPER BRIGHT FIXED PISTOL SET KIMBER. Thank you for your attention to these important safety measures.
