

HYPER BRIGHT FIXED PISTOL SET KIMBER - HYPER BRIGHT FIXED PISTOL FRONT KIMBER K6&DASA REVO Y RING

[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

A total eclipse of conventional brightness. It's the world's brightest handgun sight in any light, with tritium specially formulated to give you industry-first brilliance from broad daylight to midnight. These self-illuminated, fixed tritium sights feature an extremely bright colored ring front sight in your choice of green, yellow, or orange, delivering supreme visibility as a night sight or day-night sight. Contrasting front and rear sight colors help shooters focus on the front sight quicker for faster target acquisition in all lighting conditions. Because you can't predict when everything will depend on your sight's visibility, you can count on Hyper-Bright™. Every time. HYPER-BRIGHT CONCEPT: The MEPRO Hyper-Bright™ fixed Day and Night Sights offer the most reliable illumination for day or night. Mepro Hyper-Bright™ fixed sights feature an extremely bright fluorescent contrast colored ring in green or orange for fast target acquisition in the daytime. The yellow ring option is the sole option with phosphorescent paint that charges with light and glows in lowlight conditions for a short time in conjunction with the tritium. As a result, both rear and front tritium sources appear green in lowlight and nighttime. ALWAYS ON: Premium grade green Swiss-made Tritium vials in the front and rear sights allow for low light and nighttime conditions. The U-notch shape on the rear naturally directs your eyes to the top of the Front sight. No batteries, no switches – always on, always ready 24/7 for 12 years. Maintenance-free can be mounted directly with no modifications. Direct factory replacement, recommend replacing as a set. HIGH DURABILITY: The MEPRO HYPER-BRIGHT™ are drop- and shockproof, built for endless rounds under heavy recoil, and made of steel. Its ultralight, snag-free design is easy to draw and gives you instinctive aiming under pressure. In addition, these sights are reliable in any weather conditions.

HYPER BRIGHT FIXED PISTOL SET SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the HYPER BRIGHT FIXED PISTOL SET. This product is designed to provide superior visibility and aiming precision in various lighting conditions. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Ensure the product is used according to the manufacturer's instructions to avoid accidents.
- Always check the product for any visible damage before use. Do not use if damaged.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the sights for any wear or damage, especially after heavy use.
- Be aware of your surroundings and ensure a safe shooting environment at all times.

Specific Safety Precautions for Use

- Always treat the firearm as if it is loaded.
- Ensure the firearm is pointed in a safe direction when using the sights.
- Use the sights only with compatible firearms as specified by the manufacturer.
- Do not modify the sights or attempt to repair them yourself.
- Avoid using the sights in extreme weather conditions that may affect visibility.

Instructions for Installation and Usage

1. Installation

- Ensure the firearm is unloaded before installation.
- Remove the existing sights according to the manufacturer's instructions.
- Align the HYPER BRIGHT fixed sights with the mounting points on your firearm.
- Securely fasten the sights using appropriate tools, ensuring they are firmly in place.
- Verify the alignment of the sights before use.

2. Usage

- Familiarize yourself with the sighting system before using the firearm.
- Adjust your grip and stance to ensure optimal visibility of the sights.
- Use the bright colored ring front sight to acquire targets quickly.
- In lowlight conditions, rely on the tritium illumination for visibility.
- Always maintain focus on the front sight for accurate aiming and shooting.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Contact local waste management authorities for proper disposal methods.

Contact Information for Further Support

For any inquiries regarding safety concerns or product support, please refer to the manufacturer's contact

details provided with your product packaging or visit the manufacturer's website.

Conclusion

By following these safety instructions, you can ensure the safe and effective use of the HYPER BRIGHT FIXED PISTOL SET. Always prioritize safety and responsible usage to enhance your shooting experience.
