

# HYPER BRIGHT FIXED PISTOL SET TAURUS - HYPER BRIGHT FIXED PISTOL SET TAURUS G3C O RING/G

[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

A total eclipse of conventional brightness. It's the world's brightest handgun sight in any light, with tritium specially formulated to give you industry-first brilliance from broad daylight to midnight. These self-illuminated, fixed tritium sights feature an extremely bright colored ring front sight in your choice of green, yellow, or orange, delivering supreme visibility as a night sight or day-night sight. Contrasting front and rear sight colors help shooters focus on the front sight quicker for faster target acquisition in all lighting conditions. Because you can't predict when everything will depend on your sight's visibility, you can count on Hyper-Bright™. Every time. HYPER-BRIGHT CONCEPT: The MEPRO Hyper-Bright™ fixed Day and Night Sights offer the most reliable illumination for day or night. Mepro Hyper-Bright™ fixed sights feature an extremely bright fluorescent contrast colored ring in green or orange for fast target acquisition in the daytime. The yellow ring option is the sole option with phosphorescent paint that charges with light and glows in lowlight conditions for a short time in conjunction with the tritium. As a result, both rear and front tritium sources appear green in lowlight and nighttime. ALWAYS ON: Premium grade green Swiss-made Tritium vials in the front and rear sights allow for low light and nighttime conditions. The U-notch shape on the rear naturally directs your eyes to the top of the Front sight. No batteries, no switches – always on, always ready 24/7 for 12 years. Maintenance-free can be mounted directly with no modifications. Direct factory replacement, recommend replacing as a set. HIGH DURABILITY: The MEPRO HYPER-BRIGHT™ are drop- and shockproof, built for endless rounds under heavy recoil, and made of steel. Its ultralight, snag-free design is easy to draw and gives you instinctive aiming under pressure. In addition, these sights are reliable in any weather conditions.

# Safety Instruction Guide for HYPER BRIGHT FIXED PISTOL SET TAURUS G3C

## Introduction

Thank you for choosing the HYPER BRIGHT FIXED PISTOL SET TAURUS G3C. This guide provides essential safety instructions to ensure the safe use and maintenance of your product. Please read this guide carefully to understand how to operate the sights safely and effectively.

## General Safety Guidelines

To ensure your safety and the safety of others, please adhere to the following guidelines:

- Always treat your firearm as if it is loaded.
- Ensure proper handling and storage of your firearm and sights.
- Keep the sights clean and free from obstructions.
- Regularly inspect your sights for any signs of damage or wear.
- Use only compatible firearms and accessories as specified by the manufacturer.
- Be aware of your surroundings and ensure a safe shooting environment.

## Specific Safety Precautions for Use

When using the HYPER BRIGHT FIXED PISTOL SET TAURUS G3C, follow these specific precautions:

- Avoid using the sights in conditions where visibility is severely impaired.
- Do not attempt to modify or disassemble the sights.
- Ensure that the sights are securely mounted to prevent them from loosening during use.
- If the sights become damaged, discontinue use immediately and consult a qualified professional for repair or replacement.
- Be cautious when cleaning the sights to avoid damaging the tritium vials.

## Instructions for Installation and Usage

Follow the steps below to properly install and use your HYPER BRIGHT FIXED PISTOL SET TAURUS G3C sights:

### Installation

1. Ensure your firearm is unloaded and pointed in a safe direction.
2. Remove any existing sights according to the manufacturer's instructions.
3. Align the HYPER BRIGHT sights with the mounting dovetail on your firearm.
4. Securely fasten the sights using the appropriate tools, ensuring they are properly aligned.
5. Verify that the sights are stable and do not move when gently tested.

### Usage

- The sights are designed to be "always on" and require no batteries or switches.
- The front sight features a bright colored ring available in green, yellow, or orange for enhanced visibility.
- The rear sight's Unotch shape naturally directs your eyes to the front sight for quicker target acquisition.
- In lowlight conditions, the tritium vials will emit a green glow to aid visibility.

## Disposal Instructions

When the HYPER BRIGHT FIXED PISTOL SET TAURUS G3C sights reach the end of their life cycle, follow these disposal instructions:

- Do not dispose of the sights in regular household waste.
- Contact your local waste management authority for guidance on disposing of tritium vials and other components.
- Ensure that all components are disposed of safely to prevent environmental contamination.

## **Contact Information for Further Support**

For any inquiries regarding safety, usage, or maintenance of your HYPER BRIGHT FIXED PISTOL SET TAURUS G3C sights, please refer to the manufacturer's contact information provided on the product packaging or official website.

## **Conclusion**

Your safety and satisfaction are our top priorities. By following these guidelines, you can ensure a safe and enjoyable experience with your HYPER BRIGHT FIXED PISTOL SET TAURUS G3C. Always stay informed about best practices and updates regarding product safety. Thank you for your attention to these important safety instructions.
