

HYPER BRIGHT FIXED PISTOL SET TAURUS - HYPER BRIGHT FIXED PISTOL SET TAURUS G3C Y RING/G

[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

A total eclipse of conventional brightness. It's the world's brightest handgun sight in any light, with tritium specially formulated to give you industry-first brilliance from broad daylight to midnight. These self-illuminated, fixed tritium sights feature an extremely bright colored ring front sight in your choice of green, yellow, or orange, delivering supreme visibility as a night sight or day-night sight. Contrasting front and rear sight colors help shooters focus on the front sight quicker for faster target acquisition in all lighting conditions. Because you can't predict when everything will depend on your sight's visibility, you can count on Hyper-Bright™. Every time. HYPER-BRIGHT CONCEPT: The MEPRO Hyper-Bright™ fixed Day and Night Sights offer the most reliable illumination for day or night. Mepro Hyper-Bright™ fixed sights feature an extremely bright fluorescent contrast colored ring in green or orange for fast target acquisition in the daytime. The yellow ring option is the sole option with phosphorescent paint that charges with light and glows in lowlight conditions for a short time in conjunction with the tritium. As a result, both rear and front tritium sources appear green in lowlight and nighttime. ALWAYS ON: Premium grade green Swiss-made Tritium vials in the front and rear sights allow for low light and nighttime conditions. The U-notch shape on the rear naturally directs your eyes to the top of the Front sight. No batteries, no switches – always on, always ready 24/7 for 12 years. Maintenance-free can be mounted directly with no modifications. Direct factory replacement, recommend replacing as a set. HIGH DURABILITY: The MEPRO HYPER-BRIGHT™ are drop- and shockproof, built for endless rounds under heavy recoil, and made of steel. Its ultralight, snag-free design is easy to draw and gives you instinctive aiming under pressure. In addition, these sights are reliable in any weather conditions.

HYPER BRIGHT FIXED PISTOL SET TAURUS Safety Instruction Guide

Introduction

Thank you for choosing the HYPER BRIGHT FIXED PISTOL SET TAURUS G3C. This product is designed to provide you with exceptional visibility in various lighting conditions. To ensure your safety and the optimal performance of your handgun sights, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Always handle your firearm with respect and care.
- Ensure that your firearm is unloaded when installing or adjusting the sights.
- Keep this product out of reach of children and unauthorized users.
- Regularly inspect your sights for any signs of damage or wear.
- If you notice any defects or issues, discontinue use immediately and seek assistance.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- Ensure that the sights are installed correctly according to the instructions provided.
- Use the sights only for their intended purpose as specified in this guide.
- Do not attempt to modify or alter the sights in any way.
- Be aware of your surroundings and ensure a clear line of sight when aiming.
- Avoid using the sights in extreme weather conditions that may affect visibility.
- Understand that the tritium used in the sights is safe when handled properly, but do not attempt to disassemble the sights.

Instructions for Installation and Usage

Installation

1. Ensure your firearm is unloaded and pointed in a safe direction.
2. Remove the existing sights from your Taurus G3C if applicable.
3. Align the HYPER BRIGHT fixed sights with the mounting points on your firearm.
4. Secure the sights in place according to the manufacturer's specifications.
5. Confirm that the sights are firmly attached and aligned correctly.

Usage

- The HYPER BRIGHT sights are designed for both day and night use.
- The front sight features a colored ring (green, yellow, or orange) for enhanced visibility.
- Use the Unotch shape of the rear sight to naturally direct your focus to the front sight.
- Practice regularly to become familiar with the sight alignment and aiming process.

Disposal Instructions

- When disposing of the HYPER BRIGHT sights, follow local regulations for hazardous waste disposal.
- Do not throw the sights in regular household waste.
- If the sights are damaged, contact your local waste management authority for proper disposal methods.

Contact Information for Further Support

For any inquiries regarding the HYPER BRIGHT FIXED PISTOL SET TAURUS, please refer to the manufacturer's contact details provided on the packaging or visit the manufacturer's website for support.

Conclusion

The HYPER BRIGHT FIXED PISTOL SET TAURUS G3C is designed to enhance your shooting experience with superior visibility. By following the safety guidelines and instructions provided in this manual, you can ensure safe and effective use of your handgun sights. Thank you for your attention to safety and for choosing our product.
