

# HYPER BRIGHT FIXED PISTOL SET TAURUS - HYPER BRIGHT FIXED PISTOL FRONT TAURUS G3C G RING

[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

A total eclipse of conventional brightness. It's the world's brightest handgun sight in any light, with tritium specially formulated to give you industry-first brilliance from broad daylight to midnight. These self-illuminated, fixed tritium sights feature an extremely bright colored ring front sight in your choice of green, yellow, or orange, delivering supreme visibility as a night sight or day-night sight. Contrasting front and rear sight colors help shooters focus on the front sight quicker for faster target acquisition in all lighting conditions. Because you can't predict when everything will depend on your sight's visibility, you can count on Hyper-Bright™. Every time. HYPER-BRIGHT CONCEPT: The MEPRO Hyper-Bright™ fixed Day and Night Sights offer the most reliable illumination for day or night. Mepro Hyper-Bright™ fixed sights feature an extremely bright fluorescent contrast colored ring in green or orange for fast target acquisition in the daytime. The yellow ring option is the sole option with phosphorescent paint that charges with light and glows in lowlight conditions for a short time in conjunction with the tritium. As a result, both rear and front tritium sources appear green in lowlight and nighttime. ALWAYS ON: Premium grade green Swiss-made Tritium vials in the front and rear sights allow for low light and nighttime conditions. The U-notch shape on the rear naturally directs your eyes to the top of the Front sight. No batteries, no switches – always on, always ready 24/7 for 12 years. Maintenance-free can be mounted directly with no modifications. Direct factory replacement, recommend replacing as a set. HIGH DURABILITY: The MEPRO HYPER-BRIGHT™ are drop- and shockproof, built for endless rounds under heavy recoil, and made of steel. Its ultralight, snag-free design is easy to draw and gives you instinctive aiming under pressure. In addition, these sights are reliable in any weather conditions.

# Safety Instruction Guide for HYPER BRIGHT FIXED PISTOL SET TAURUS G3C G RING

## Introduction

Thank you for choosing the HYPER BRIGHT FIXED PISTOL SET. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your product. Please read this manual carefully before using the sights.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always follow local laws and regulations regarding firearm accessories.
- Store the product in a secure and dry location away from children and unauthorized users.
- Regularly inspect the sights for any signs of damage or wear.
- Report any unsafe product conditions to the appropriate authorities.

## Specific Safety Precautions for Use

- **Visibility:** Always ensure that the sights are clean and unobstructed for optimal visibility.
- **Installation:** Follow installation instructions carefully to avoid improper mounting that could affect performance.
- **Handling:** Treat all firearms as if they are loaded. Always point the firearm in a safe direction.
- **Environmental Conditions:** Be aware of weather conditions that may affect visibility and performance. The sights are designed to be reliable in various weather conditions, but extreme environments may impact functionality.

## Instructions for Installation and Usage

### Installation Instructions

#### 1. Preparation:

- Ensure that the firearm is unloaded and pointed in a safe direction.
- Gather necessary tools for installation (if required).

#### 2. Mounting the Sights:

- Remove any existing sights according to the manufacturer's instructions.
- Align the HYPER BRIGHT FIXED PISTOL SIGHT with the mounting area on the firearm.
- Securely attach the sights following the manufacturer's specifications. Ensure no movement occurs.

#### 3. Final Check:

- Verify that the sights are securely mounted.
- Perform a visual inspection to confirm that no obstructions are present.

### Usage Instructions

- **Day and Night Use:** The HYPER BRIGHT sights are designed for both day and night use. The tritium illumination will provide visibility in lowlight conditions.
- **Target Acquisition:** Use the contrasting colors of the front and rear sights to quickly acquire your target.

- **Maintenance:** The sights are maintenancefree. However, periodically check for any dirt or debris that may obstruct visibility.

## Disposal Instructions

- Dispose of the product in accordance with local regulations regarding electronic waste and hazardous materials.
- Do not dispose of the product in regular household waste.

## Contact Information for Further Support

For any inquiries or support regarding the HYPER BRIGHT FIXED PISTOL SET, please refer to the manufacturer's contact information provided on the packaging or product documentation.

By following these guidelines, you can ensure a safe and effective experience with your HYPER BRIGHT FIXED PISTOL SET. Always prioritize safety and compliance with local laws when using firearm accessories.
