

# HYPER BRIGHT FIXED PISTOL SET TAURUS - HYPER BRIGHT FIXED PISTOL FRONT TAURUS G3C Y RING

[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

A total eclipse of conventional brightness. It's the world's brightest handgun sight in any light, with tritium specially formulated to give you industry-first brilliance from broad daylight to midnight. These self-illuminated, fixed tritium sights feature an extremely bright colored ring front sight in your choice of green, yellow, or orange, delivering supreme visibility as a night sight or day-night sight. Contrasting front and rear sight colors help shooters focus on the front sight quicker for faster target acquisition in all lighting conditions. Because you can't predict when everything will depend on your sight's visibility, you can count on Hyper-Bright™. Every time. HYPER-BRIGHT CONCEPT: The MEPRO Hyper-Bright™ fixed Day and Night Sights offer the most reliable illumination for day or night. Mepro Hyper-Bright™ fixed sights feature an extremely bright fluorescent contrast colored ring in green or orange for fast target acquisition in the daytime. The yellow ring option is the sole option with phosphorescent paint that charges with light and glows in lowlight conditions for a short time in conjunction with the tritium. As a result, both rear and front tritium sources appear green in lowlight and nighttime. ALWAYS ON: Premium grade green Swiss-made Tritium vials in the front and rear sights allow for low light and nighttime conditions. The U-notch shape on the rear naturally directs your eyes to the top of the Front sight. No batteries, no switches – always on, always ready 24/7 for 12 years. Maintenance-free can be mounted directly with no modifications. Direct factory replacement, recommend replacing as a set. HIGH DURABILITY: The MEPRO HYPER-BRIGHT™ are drop- and shockproof, built for endless rounds under heavy recoil, and made of steel. Its ultralight, snag-free design is easy to draw and gives you instinctive aiming under pressure. In addition, these sights are reliable in any weather conditions.

# HYPER BRIGHT FIXED PISTOL SET TAURUS Safety Instruction Guide

## Introduction

Thank you for choosing the HYPER BRIGHT FIXED PISTOL SET TAURUS. This product is designed for enhanced visibility and accuracy in shooting, whether in daylight or lowlight conditions. To ensure safe and effective use, please read and follow the safety instructions outlined in this guide.

## General Safety Guidelines

- Always treat every firearm as if it is loaded.
- Store the firearm and sights in a secure location, out of reach of children and unauthorized users.
- Regularly inspect the sights for any damage or wear.
- Ensure you are familiar with local laws regarding firearm use and storage.
- Use the sights only for their intended purpose as specified in this guide.
- Report any unsafe products or incidents to the relevant authorities.

## Specific Safety Precautions for Use

- Ensure that the firearm is pointed in a safe direction at all times.
- Do not attempt to modify or alter the sights in any way.
- Avoid using the sights in extreme weather conditions that may affect their functionality.
- Always wear appropriate eye and ear protection when using firearms.
- Be aware of your surroundings and ensure a clear line of sight when using the firearm.

## Instructions for Installation and Usage

### Installation

1. **Preparation:** Ensure the firearm is unloaded and pointed in a safe direction.
2. **Remove Old Sights:** If applicable, carefully remove the existing sights from the firearm according to the manufacturer's instructions.
3. **Install New Sights:**
  - Align the front sight with the mounting slot on the firearm.
  - Secure the sight using the provided screws or mounting hardware.
  - Repeat the process for the rear sight.
4. **Check Alignment:** Ensure both sights are aligned correctly for optimal accuracy.
5. **Test Functionality:** Verify that the sights are securely attached and functioning as intended.

### Usage

- **Daylight Use:** The HYPER BRIGHT sights provide enhanced visibility during the day. Focus on the front sight for quick target acquisition.
- **Lowlight Use:** The tritium illumination will glow in lowlight conditions. Ensure that you are familiar with the sight picture before using in darkness.
- **Maintenance:** No batteries or switches are required. The sights are maintenancefree and designed to last for up to 12 years.

## Disposal Instructions

- Dispose of the product in accordance with local regulations regarding hazardous materials.
- Do not throw the product in regular household waste.

- Contact your local waste management authority for proper disposal methods.

## **Contact Information for Further Support**

For any safety inquiries or support regarding the HYPER BRIGHT FIXED PISTOL SET TAURUS, please refer to the contact information provided on the product packaging or the manufacturer's website.

By following these guidelines, you can help ensure your safety and the safety of others while using the HYPER BRIGHT FIXED PISTOL SET TAURUS. Thank you for your attention to these important safety measures.
