

# MEPRO FT BULLSEYE PISTOL REAR GLOCK MOS - MEPRO FT BULLSEYE PISTOL REAR GLOCK MOS R

[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

Runs on instinct. Runs at the speed of sight. The Mepro FT Bullseye™ sight is the fastest, brightest, and most intuitive tritium fiber optic sights we've ever built. This low-profile single-night-sight design is powered by fiber optics to master the day, while premium-grade tritium handles even the darkest blackout conditions. Aligning with a single central point of focus, the Mepro FT Bullseye™ has the feel of a red dot sight. These Meprolight® night sights are drop- and shockproof, built for endless rounds under heavy recoil, and make an excellent upgrade sight to pistols we service like Smith & Wesson, Springfield, IWI, Glock, and others. Its ultralight, snag-free design is easy to draw and gives you instinctive aiming under pressure.

# Safety Instructions for MEPRO FT Bullseye Pistol Rear Glock MOS

## Introduction

Thank you for choosing the MEPRO FT Bullseye Pistol Rear Glock MOS. This product is designed to enhance your shooting experience with safety and reliability in mind. Please read this safety instruction guide carefully to ensure proper use and maintenance of your sight.

## General Safety Guidelines

- **Product Safety:** This product complies with the EU General Product Safety Regulation (GPSR) to ensure safe use. Always use the sight as intended.
- **Enhanced Recalls:** Stay informed about any recalls by checking the EU Safety Gate platform regularly.
- **Online Shopping Safety:** If purchased online, ensure the retailer meets safety requirements.
- **Special Consumer Focus:** This product is not intended for use by children. Keep out of reach of minors.
- **EU Contact Point:** For any safety inquiries, please contact your local distributor or retailer.
- **Rapid Alerts:** Be aware of any updates regarding the safety of this product via the Safety Gate system.

## Specific Safety Precautions for Use

- **Avoid Direct Eye Exposure:** Do not look directly into the sight's illumination source.
- **Inspect Before Use:** Always inspect the sight for any damage or defects before installation and use.
- **Proper Handling:** Handle the sight with care to prevent dropping or impact damage.
- **Use Appropriate Firearms:** Ensure compatibility with your firearm model (Glock) before installation.
- **Follow Manufacturer Instructions:** Adhere to all instructions provided by the manufacturer for installation and use.
- **Avoid Modifications:** Do not modify the sight or its components, as this can compromise safety and performance.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing rear sight from your Glock using appropriate tools.
- Align the MEPRO FT Bullseye sight with the sight dovetail on the slide.
- Secure the sight in place using the screws provided, ensuring it is tight but not overtorqued.
- Check alignment and adjust as necessary for optimal accuracy.

### 2. Usage:

- Grip the firearm firmly and ensure a stable shooting stance.
- Use the sight's central point of focus to aim.
- Practice regularly to become familiar with the sight's operation and enhance your shooting skills.
- Clean the sight periodically to maintain visibility and performance.

## Disposal Instructions

- **Environmental Considerations:** Dispose of the sight in accordance with local regulations. Do not dispose of it in regular household waste.
- **Recycling:** If applicable, recycle the sight components through designated recycling programs to minimize environmental impact.

## **Contact Information for Further Support**

For any questions or concerns regarding the MEPRO FT Bullseye Pistol Rear Glock MOS, please consult your retailer or authorized distributor for assistance. They can provide you with the necessary support and information regarding product safety and usage.

Thank you for your attention to these safety instructions. Enjoy your enhanced shooting experience with the MEPRO FT Bullseye sight!
