

# MEPRO FT BULLSEYE PISTOL REAR SPRINGFIELD - MEPRO FT BULLSEYE PISTOL REAR SPRINGFIELD XD,XDM G

[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

Runs on instinct. Runs at the speed of sight. The Mepro FT Bullseye™ sight is the fastest, brightest, and most intuitive tritium fiber optic sights we've ever built. This low-profile single-night-sight design is powered by fiber optics to master the day, while premium-grade tritium handles even the darkest blackout conditions. Aligning with a single central point of focus, the Mepro FT Bullseye™ has the feel of a red dot sight. These Meprolight® night sights are drop- and shockproof, built for endless rounds under heavy recoil, and make an excellent upgrade sight to pistols we service like Smith & Wesson, Springfield, IWI, Glock, and others. Its ultralight, snag-free design is easy to draw and gives you instinctive aiming under pressure.

# MEPRO FT Bullseye Pistol Rear Sight Safety Instructions

## Introduction

Thank you for choosing the MEPRO FT Bullseye Pistol Rear Sight. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your sight. Please read this document carefully before installation and use.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always handle firearms and accessories with care and follow standard safety protocols.
- Keep the sight out of reach of children and unauthorized users.
- Regularly inspect the sight for any signs of damage or wear.
- Report any unsafe products or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Use only with compatible pistol models, including Springfield XD, XDM, and others as specified.
- Avoid exposing the sight to extreme temperatures or harsh environmental conditions.
- Do not attempt to modify or disassemble the sight; this may compromise safety and functionality.
- Use proper eye protection when using firearms equipped with this sight.
- Ensure the firearm is unloaded before installing or adjusting the sight.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded.
- Remove the existing rear sight according to the manufacturer's instructions.
- Align the MEPRO FT Bullseye sight on the slide of the pistol.
- Securely fasten the sight using the provided screws, ensuring it is firmly in place.
- Check alignment and adjust as necessary before use.

### 2. Usage:

- Familiarize yourself with the sight's features and how it operates.
- Practice aiming with the sight in a safe and controlled environment.
- Maintain a firm grip on the firearm while aiming and firing.
- Regularly practice to enhance your instinctive aiming capabilities.

## Disposal Instructions

- Dispose of the sight and any packaging materials in accordance with local regulations.
- Do not dispose of electronic components in regular household waste.
- Contact local waste management authorities for proper disposal methods.

## Contact Information for Further Support

For any questions or concerns regarding the MEPRO FT Bullseye Pistol Rear Sight, please refer to the manufacturer's website or customer support resources. Ensure you have the product model and details ready

for assistance.

Thank you for prioritizing safety while using the MEPRO FT Bullseye Pistol Rear Sight. Enjoy your improved aiming experience!
