

# MEPRO FT BULLSEYE PISTOL REAR SPRINGFIELD - MEPRO FT BULLSEYE PISTOL REAR SPRINGFIELD XD,XDM R

[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

Runs on instinct. Runs at the speed of sight. The Mepro FT Bullseye™ sight is the fastest, brightest, and most intuitive tritium fiber optic sights we've ever built. This low-profile single-night-sight design is powered by fiber optics to master the day, while premium-grade tritium handles even the darkest blackout conditions. Aligning with a single central point of focus, the Mepro FT Bullseye™ has the feel of a red dot sight. These Meprolight® night sights are drop- and shockproof, built for endless rounds under heavy recoil, and make an excellent upgrade sight to pistols we service like Smith & Wesson, Springfield, IWI, Glock, and others. Its ultralight, snag-free design is easy to draw and gives you instinctive aiming under pressure.

# MEPRO FT Bullseye Pistol Rear Sight Safety Instructions

## Introduction

Thank you for choosing the MEPRO FT Bullseye Pistol Rear Sight. This guide provides essential safety instructions and information to ensure the safe and effective use of your sight. Please read this document carefully before installation and use.

## General Safety Guidelines

- Ensure that the product is used in accordance with the manufacturer's instructions.
- Always handle firearms safely and responsibly.
- Be aware of your surroundings and ensure you are in a safe environment when using your firearm.
- Regularly inspect your sight for any signs of damage or wear.
- Store your firearm and sight in a secure location, out of reach of children and unauthorized users.
- Report any unsafe products or accidents to the relevant authorities.

## Specific Safety Precautions for Use

- Only use the MEPRO FT Bullseye sight with compatible pistol models, specifically Springfield XD and XDM.
- Avoid using the sight in extreme weather conditions that may affect visibility or performance.
- Do not attempt to modify or disassemble the sight, as this may compromise its safety and functionality.
- Ensure that the sight is securely mounted before use to prevent it from becoming loose during operation.
- Always wear appropriate eye protection when using firearms equipped with this sight.

## Instructions for Installation and Usage

### Installation

1. **Gather Required Tools:** Ensure you have the necessary tools for installation, including a screwdriver and any specific tools recommended by the manufacturer.
2. **Safety Check:** Before installation, ensure the firearm is unloaded and pointed in a safe direction.
3. **Remove the Existing Sight:** Carefully remove the existing rear sight from your pistol using the appropriate tool.
4. **Position the MEPRO FT Bullseye Sight:** Align the sight with the mounting area on the pistol. Ensure it is oriented correctly.
5. **Secure the Sight:** Tighten the screws to secure the sight in place. Avoid overtightening, which may damage the sight or firearm.
6. **Final Inspection:** Check that the sight is securely installed and properly aligned.

### Usage

- **Aiming:** Use the central point of focus to align your aim instinctively, similar to a red dot sight.
- **Visibility:** The fiber optic and tritium features provide visibility in various lighting conditions. Ensure you are familiar with how these features work in different environments.
- **Practice:** Regular practice with the sight will improve your accuracy and comfort level.

## Disposal Instructions

- Dispose of the sight and any associated materials in accordance with local regulations for electronic waste.
- Do not dispose of the sight in regular household waste. Check for designated recycling or disposal

facilities in your area.

## **Contact Information for Further Support**

For any questions or concerns regarding the MEPRO FT Bullseye Pistol Rear Sight, please refer to the manufacturer's website or contact your local retailer for assistance. Ensure you have the product details available for a more efficient response.

By following these safety instructions, you can ensure a safe and enjoyable experience with your MEPRO FT Bullseye Pistol Rear Sight. Thank you for your attention to safety and responsible firearm use.
