

MEPRO FT BULLSEYE PISTOL REAR S&W M&P SHIELD - MEPRO FT BULLSEYE PISTOL REAR S&W M&P SHIELD G

[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

Runs on instinct. Runs at the speed of sight. The Mepro FT Bullseye™ sight is the fastest, brightest, and most intuitive tritium fiber optic sights we've ever built. This low-profile single-night-sight design is powered by fiber optics to master the day, while premium-grade tritium handles even the darkest blackout conditions. Aligning with a single central point of focus, the Mepro FT Bullseye™ has the feel of a red dot sight. These Meprolight® night sights are drop- and shockproof, built for endless rounds under heavy recoil, and make an excellent upgrade sight to pistols we service like Smith & Wesson, Springfield, IWI, Glock, and others. Its ultralight, snag-free design is easy to draw and gives you instinctive aiming under pressure.

MEPRO FT BULLSEYE PISTOL REAR SIGHT SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the Mepro FT Bullseye Pistol Rear Sight. This safety instruction guide is designed to ensure the safe use of this product, in compliance with the EU General Product Safety Regulation (GPSR). Please read this guide carefully before using the sight to understand how to use it safely and effectively.

General Safety Guidelines

- Always treat every firearm as if it is loaded.
- Ensure that you are familiar with the operation of your firearm and the sight before use.
- Use the sight only for its intended purpose, which is to enhance aiming accuracy on compatible pistols.
- Store the sight in a safe, dry place when not in use.
- Regularly inspect the sight for any signs of damage or wear.
- If the sight is damaged or malfunctions, discontinue use immediately and consult a qualified gunsmith.

Specific Safety Precautions for Use

- Ensure that the sight is installed correctly and securely on your firearm before use.
- Do not attempt to use the sight if you are under the influence of drugs or alcohol.
- Avoid using the sight in conditions that may impair your vision, such as low light or extreme glare, unless you are trained to do so.
- Keep the sight and your firearm out of reach of children and unauthorized users.
- Use appropriate eye protection when using firearms equipped with this sight.

Instructions for Installation and Usage

Installation

1. **Ensure Safety:** Make sure the firearm is unloaded and pointed in a safe direction.
2. **Remove Old Sight:** If applicable, carefully remove the existing rear sight from your firearm.
3. **Position the Mepro FT Bullseye:** Align the Mepro FT Bullseye sight with the mounting dovetail on your firearm.
4. **Secure the Sight:** Use the appropriate tools to tighten any screws or fasteners, ensuring the sight is firmly attached.
5. **Check Alignment:** Ensure that the sight is properly aligned with the front sight for optimal accuracy.

Usage

1. **Aiming:** Align the Mepro FT Bullseye sight with your target, focusing on the central point for accurate aiming.
2. **Practice:** Spend time practicing with the sight to become familiar with its operation and feel.
3. **Adjustments:** If necessary, make any adjustments to the sight for windage and elevation, following the manufacturer's guidelines.

Disposal Instructions

- Dispose of the sight in accordance with local regulations regarding electronic waste and firearm accessories.
- Do not dispose of the sight in regular household waste. Instead, seek out designated recycling or disposal facilities.

Contact Information for Further Support

For any questions or concerns regarding the Mepro FT Bullseye Pistol Rear Sight, please refer to the manufacturer's website or customer service for assistance.
