

MEPRO FT BULLSEYE PISTOL REAR RUGER MARK III - MEPRO FT BULLSEYE PISTOL REAR RUGER MARK III/MARK IV G

[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

Runs on instinct. Runs at the speed of sight. The Mepro FT Bullseye™ sight is the fastest, brightest, and most intuitive tritium fiber optic sights we've ever built. This low-profile single-night-sight design is powered by fiber optics to master the day, while premium-grade tritium handles even the darkest blackout conditions. Aligning with a single central point of focus, the Mepro FT Bullseye™ has the feel of a red dot sight. These Meprolight® night sights are drop- and shockproof, built for endless rounds under heavy recoil, and make an excellent upgrade sight to pistols we service like Smith & Wesson, Springfield, IWI, Glock, and others. Its ultralight, snag-free design is easy to draw and gives you instinctive aiming under pressure.

MEPRO FT Bullseye Pistol Rear Sight Safety Instructions

Introduction

Thank you for choosing the Mepro FT Bullseye Pistol Rear Sight. This guide provides essential safety instructions and information to ensure the safe and effective use of your new sight. Please read this document carefully before installation and use.

General Safety Guidelines

- Ensure that all firearm safety rules are followed during installation and use.
- Always handle firearms with care and treat them as if they are loaded.
- Keep the sight and firearms out of reach of children and unauthorized users.
- Regularly inspect your sight for any signs of damage or wear before use.
- Only use this sight with compatible firearms as specified in the product description.
- Be aware of your surroundings and ensure a safe shooting environment.

Specific Safety Precautions for Use

- **Installation Precautions:**

- Ensure the firearm is unloaded before installation.
- Use appropriate tools to avoid damaging the sight or firearm during installation.

- **Usage Precautions:**

- Always aim in a safe direction.
- Do not point the firearm at anything you do not intend to shoot.
- Be mindful of your target and what lies beyond it.
- Avoid using the sight in conditions where visibility is severely reduced, such as heavy fog or darkness without proper lighting.

- **Maintenance Precautions:**

- Clean the sight regularly to ensure optimal performance.
- Store the sight in a dry, secure location when not in use.
- Avoid exposing the sight to extreme temperatures or harsh chemicals.

Instructions for Installation and Usage

Installation

1. **Prepare the Firearm:**

- Ensure the firearm is unloaded and pointed in a safe direction.

2. **Remove the Existing Sight:**

- Use the appropriate tool to carefully remove the existing rear sight from the firearm.

3. **Install the Mepro FT Bullseye Sight:**

- Align the Mepro FT Bullseye sight with the mounting area on the firearm.
- Secure the sight using the provided screws or mounting hardware.
- Ensure that the sight is firmly attached and does not wobble.

4. Check Alignment:

- Once installed, check the alignment of the sight to ensure it is straight and properly positioned.

Usage

1. Aiming:

- Use the central point of focus to aim at your target.
- Practice aiming with the sight in a controlled environment before using it in live scenarios.

2. Shooting:

- Follow all firearm safety protocols when shooting.
- Maintain a proper stance and grip on your firearm for stability.

3. PostShooting:

- After shooting, ensure the firearm is unloaded.
- Inspect the sight for any damage or misalignment.

Disposal Instructions

- Dispose of the sight in accordance with local regulations.
- Do not dispose of the sight in regular household waste.
- If the sight is damaged or no longer functional, consult local waste management authorities for proper disposal methods.

Contact Information for Further Support

For any safety inquiries, product support, or to report unsafe products, please contact the appropriate authorities or your local distributor. It is important to stay informed about any product recalls or safety updates through the EU Safety Gate platform.

By following these guidelines, you can ensure the safe use of the Mepro FT Bullseye Pistol Rear Sight and enhance your shooting experience. Thank you for your attention to safety.
