

# **MEPRO FT BULLSEYE PISTOL REAR IWI JERICHO - MEPRO FT BULLSEYE PISTOL REAR IWI JERICHO(NOT JERICHO II) R**

[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

Runs on instinct. Runs at the speed of sight. The Mepro FT Bullseye™ sight is the fastest, brightest, and most intuitive tritium fiber optic sights we've ever built. This low-profile single-night-sight design is powered by fiber optics to master the day, while premium-grade tritium handles even the darkest blackout conditions. Aligning with a single central point of focus, the Mepro FT Bullseye™ has the feel of a red dot sight. These Meprolight® night sights are drop- and shockproof, built for endless rounds under heavy recoil, and make an excellent upgrade sight to pistols we service like Smith & Wesson, Springfield, IWI, Glock, and others. Its ultralight, snag-free design is easy to draw and gives you instinctive aiming under pressure.

# Safety Instruction Guide for Mepro FT Bullseye Pistol Rear Sight

## Introduction

Thank you for choosing the Mepro FT Bullseye Pistol Rear Sight. This guide provides important safety information and instructions to ensure the safe and effective use of your new sight. Please read this guide thoroughly before installation and use.

## General Safety Guidelines

- Ensure that the sight is compatible with your firearm model before installation.
- Always handle firearms with care and follow all safety protocols.
- Use the sight only for its intended purpose as specified in this guide.
- Keep the sight and your firearm out of reach of children and unauthorized users.
- Regularly inspect the sight for any signs of wear or damage.
- If you notice any defects or issues, cease use immediately and consult a qualified professional.

## Specific Safety Precautions for Use

- The Mepro FT Bullseye sight is designed for adult use only. Do not allow children to handle or use the sight.
- Avoid exposing the sight to extreme temperatures or harsh environmental conditions.
- Do not attempt to disassemble or modify the sight. Doing so may void the warranty and pose safety risks.
- Always ensure that your firearm is unloaded before installing or adjusting the sight.
- Use protective eyewear when shooting to safeguard against potential debris or ricochets.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove any existing sights according to the manufacturer's instructions.
- Carefully align the Mepro FT Bullseye sight with the mounting surface of your pistol.
- Secure the sight using the appropriate screws or mounting hardware provided.
- Tighten all fasteners adequately to prevent movement during use.

### 2. Usage:

- Familiarize yourself with the sight's features before taking your firearm to the range.
- Align the sight with your target using the central point of focus.
- Practice aiming with the sight in a controlled environment before engaging in live shooting.
- Adjust your shooting technique as necessary to accommodate the sight's design.

## Disposal Instructions

- When disposing of the sight, follow local regulations for electronic and optical waste.
- Do not dispose of the sight in regular household waste.
- Contact your local waste management facility for information on proper disposal methods.

## **Contact Information for Further Support**

For safety inquiries or support regarding the Mepro FT Bullseye Pistol Rear Sight, please refer to the contact details provided with your product packaging or visit the manufacturer's website.

Thank you for taking the time to read this safety instruction guide. Your safety and satisfaction are our top priorities. Enjoy your Mepro FT Bullseye Pistol Rear Sight responsibly.
