

MEPRO FT BULLSEYE PISTOL REAR IWI MASADA R

[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

Runs on instinct. Runs at the speed of sight. The Mepro FT Bullseye™ sight is the fastest, brightest, and most intuitive tritium fiber optic sights we've ever built. This low-profile single-night-sight design is powered by fiber optics to master the day, while premium-grade tritium handles even the darkest blackout conditions. Aligning with a single central point of focus, the Mepro FT Bullseye™ has the feel of a red dot sight. These Meprolight® night sights are drop- and shockproof, built for endless rounds under heavy recoil, and make an excellent upgrade sight to pistols we service like Smith & Wesson, Springfield, IWI, Glock, and others. Its ultralight, snag-free design is easy to draw and gives you instinctive aiming under pressure.

MEPRO FT Bullseye Pistol Rear Safety Instructions

Introduction

Thank you for choosing the MEPRO FT Bullseye Pistol Rear sight. This guide provides essential safety instructions and best practices to ensure the safe and effective use of your sight. Please read this document carefully before installation and use.

General Safety Guidelines

- Ensure the sight is compatible with your firearm model before installation.
- Always handle firearms responsibly and in accordance with local laws and regulations.
- Keep the sight and firearm stored securely when not in use.
- Regularly inspect the sight for any signs of damage or wear.
- Use only the recommended tools and methods for installation and adjustment.
- Follow all instructions provided by the firearm manufacturer as well as the sight manufacturer.

Specific Safety Precautions for Use

- Do not modify the sight or firearm in any way that could compromise safety.
- Avoid using the sight in extreme environmental conditions without proper precautions.
- Always ensure the firearm is unloaded when installing or adjusting the sight.
- Be aware of your surroundings and ensure a safe shooting environment.
- Never point the firearm at anything you do not intend to shoot.

Instructions for Installation and Usage

Installation

1. **Check Compatibility:** Verify that the MEPRO FT Bullseye sight is suitable for your firearm model (e.g., IWI, Smith & Wesson, Glock).
2. **Gather Tools:** Prepare the necessary tools for installation, including a screwdriver and any specific tools recommended by the manufacturer.
3. **Unload Firearm:** Ensure the firearm is completely unloaded before proceeding.
4. **Remove Existing Sight:** If applicable, carefully remove the existing rear sight from your firearm.
5. **Position New Sight:** Align the MEPRO FT Bullseye sight with the mounting area on your firearm.
6. **Secure the Sight:** Use the appropriate screws or mounting hardware to secure the sight in place. Ensure it is tightly fastened but avoid overtightening, which could damage the sight.
7. **Final Check:** Inspect the installation for stability and proper alignment.

Usage

- **Aiming:** Use the central point of focus provided by the sight for intuitive aiming. Practice to become familiar with the sight's alignment.
- **Maintenance:** Regularly clean the sight and inspect for damage. Replace if the tritium or fiber optic components are compromised.
- **Storage:** Store your firearm and sight in a safe, dry place when not in use to prevent damage.

Disposal Instructions

- Dispose of the sight in accordance with local regulations.
- If the sight is damaged or no longer functional, contact local waste management services for proper disposal.

disposal methods.

- Do not dispose of the sight in regular household waste.

Contact Information for Further Support

For any questions or concerns regarding the MEPRO FT Bullseye sight, please refer to the manufacturer's official website or customer support channels. It is important to have access to reliable information for any safety inquiries.

By following these safety instructions, you can ensure a safe and enjoyable experience with your MEPRO FT Bullseye Pistol Rear sight. Always prioritize safety and responsible handling of your firearm.
