

MEPRO FT BULLSEYE FRONT SIGHT - MEPRO FT BULLSEYE PISTOL FRONT GLOCK ALL MODELS G

[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

Runs on instinct. Runs at the speed of sight. The Mepro FT Bullseye™ sight is the fastest, brightest, and most intuitive tritium fiber optic sights we've ever built. This low-profile single-night-sight design is powered by fiber optics to master the day, while premium-grade tritium handles even the darkest blackout conditions. Aligning with a single central point of focus, the Mepro FT Bullseye™ has the feel of a red dot sight. These Meprolight® night sights are drop- and shockproof, built for endless rounds under heavy recoil, and make an excellent upgrade sight to pistols we service like Smith & Wesson, Springfield, IWI, Glock, and others. Its ultralight, snag-free design is easy to draw and gives you instinctive aiming under pressure.

MEPRO FT BULLSEYE FRONT SIGHT Consumer Safety Instruction Guide

Introduction

Thank you for choosing the Mepro FT Bullseye Front Sight. This guide provides important safety instructions and guidelines to ensure the safe use of this product. It is designed for all users, including those who may not have technical expertise. Please read this guide carefully before using the product.

General Safety Guidelines

- Ensure the product is installed correctly and securely.
- Always handle firearms responsibly and in accordance with local laws.
- Regularly inspect the sight for any signs of damage or wear.
- Do not use the sight if it appears damaged or if you suspect it may not function correctly.
- Keep the sight and all firearms out of reach of children and unauthorized users.
- Follow all manufacturer instructions for the use and maintenance of your firearm.

Specific Safety Precautions for Use

- Always ensure the firearm is unloaded before installing or adjusting the sight.
- Do not attempt to modify the sight or the firearm in any way.
- Use only compatible firearms as specified by the manufacturer (e.g., Glock models).
- Be aware of your surroundings when using the sight, especially in lowlight conditions.
- If you experience any issues with the sight, cease use immediately and consult a professional.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is completely unloaded.
- Remove the existing front sight according to the manufacturer's instructions.
- Align the Mepro FT Bullseye Front Sight with the mounting slot on the firearm.
- Secure the sight using the appropriate tools and ensure it is tightly fitted.
- Doublecheck the alignment and stability of the sight before use.

2. Usage:

- Use the sight in conjunction with the firearm's rear sight for optimal aiming.
- Practice aiming with the sight in a safe environment to become familiar with its operation.
- In lowlight conditions, rely on the tritium feature for visibility.
- Maintain a firm grip on the firearm while aiming to ensure accuracy.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the sight in regular household waste.
- If the product is damaged or no longer functional, contact local waste management services for proper disposal methods.

Contact Information for Further Support

For any inquiries regarding the Mepro FT Bullseye Front Sight, please refer to the manufacturer's website or contact their customer support directly. Ensure to have the product details on hand for quicker assistance.

Thank you for your attention to these safety instructions. Your safety and the safety of others is our priority. Enjoy using your Mepro FT Bullseye Front Sight responsibly!
