

MEPRO FT BULLSEYE FRONT SIGHT - MEPRO FT BULLSEYE PISTOL FRONT S&W M&P SHIELD G

[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

Runs on instinct. Runs at the speed of sight. The Mepro FT Bullseye™ sight is the fastest, brightest, and most intuitive tritium fiber optic sights we've ever built. This low-profile single-night-sight design is powered by fiber optics to master the day, while premium-grade tritium handles even the darkest blackout conditions. Aligning with a single central point of focus, the Mepro FT Bullseye™ has the feel of a red dot sight. These Meprolight® night sights are drop- and shockproof, built for endless rounds under heavy recoil, and make an excellent upgrade sight to pistols we service like Smith & Wesson, Springfield, IWI, Glock, and others. Its ultralight, snag-free design is easy to draw and gives you instinctive aiming under pressure.

MEPRO FT BULLSEYE FRONT SIGHT SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the Mepro FT Bullseye™ Front Sight. This product is designed to enhance your shooting experience with its intuitive design and advanced technology. To ensure your safety and the optimal performance of your sight, please read and follow the safety instructions provided in this guide.

General Safety Guidelines

- Always treat your firearm and sight as if they are loaded.
- Ensure that the sight is installed correctly and securely before use.
- Regularly inspect the sight for any signs of damage or wear.
- Avoid using the sight in extreme environmental conditions that may affect performance.
- Keep the sight clean and free of obstructions for optimal visibility.
- Use the sight only with compatible firearms as specified by the manufacturer.

Specific Safety Precautions for Use

- Do not modify the sight in any way, as this can compromise its safety and functionality.
- Ensure that you are familiar with your firearm's operation before using the sight.
- Always use appropriate eye and ear protection when shooting.
- Be aware of your surroundings and ensure that you have a clear and safe shooting area.
- If you experience any malfunctions or issues with the sight, cease use immediately and consult a qualified professional.

Instructions for Installation and Usage

Installation

1. **Prepare Your Firearm:** Ensure that your firearm is unloaded and safe to handle.
2. **Remove Existing Sight:** If applicable, carefully remove any existing front sight from your firearm.
3. **Align the Mepro FT Bullseye Sight:** Position the Mepro FT Bullseye sight in the front sight dovetail of your firearm.
4. **Secure the Sight:** Tighten the sight using the appropriate tools, ensuring it is firmly in place without overtightening.
5. **Check Alignment:** Verify that the sight is aligned correctly with the rear sight for accurate aiming.

Usage

- **Aiming:** Use the central point of focus for quick and instinctive aiming.
- **Maintenance:** Regularly clean the sight with a soft cloth to maintain visibility and performance.
- **Storage:** Store your firearm and sight in a safe, secure location when not in use.

Disposal Instructions

- Dispose of the sight in accordance with local regulations for electronic waste and materials.
- Do not dispose of the sight in household waste. Instead, take it to a designated recycling or disposal facility.

Contact Information for Further Support

For any inquiries regarding safety, installation, or product support, please refer to the manufacturer's website or contact your local retailer. It is important to have access to assistance for any issues or questions you may have regarding your Mepro FT Bullseye™ Front Sight.

Thank you for prioritizing safety and for being a responsible firearm owner. Enjoy your shooting experience with the Mepro FT Bullseye™ Front Sight!
