

MEPRO FT BULLSEYE FRONT SIGHT - MEPRO FT BULLSEYE PISTOL FRONT IWI MASADA G

[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

Runs on instinct. Runs at the speed of sight. The Mepro FT Bullseye™ sight is the fastest, brightest, and most intuitive tritium fiber optic sights we've ever built. This low-profile single-night-sight design is powered by fiber optics to master the day, while premium-grade tritium handles even the darkest blackout conditions. Aligning with a single central point of focus, the Mepro FT Bullseye™ has the feel of a red dot sight. These Meprolight® night sights are drop- and shockproof, built for endless rounds under heavy recoil, and make an excellent upgrade sight to pistols we service like Smith & Wesson, Springfield, IWI, Glock, and others. Its ultralight, snag-free design is easy to draw and gives you instinctive aiming under pressure.

MEPRO FT BULLSEYE FRONT SIGHT SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the Mepro FT Bullseye Front Sight. This product is designed to enhance your shooting experience with its intuitive design and advanced technology. To ensure your safety and the optimal performance of this sight, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- **Product Safety:** Always ensure that the Mepro FT Bullseye Front Sight is used in accordance with the manufacturer's instructions. This sight is designed for safe use on compatible pistols.
- **Enhanced Recalls:** Stay informed about any potential recalls. The manufacturer will provide standardized recall notices and remedies for any dangerous products.
- **Online Shopping:** When purchasing online, ensure that the seller complies with safety requirements similar to those of physical stores.
- **Special Consumer Focus:** This product is not intended for use by children. Keep it out of reach of minors.
- **EU Contact Point:** For safety inquiries, refer to the manufacturer's official contact channels.
- **Rapid Alerts:** Monitor the EU's Safety Gate platform for any updates regarding unsafe products.

Specific Safety Precautions for Use

- **Compatibility:** Ensure that the Mepro FT Bullseye Front Sight is compatible with your pistol model before installation.
- **Installation:** Follow the installation instructions carefully to avoid any improper mounting that may lead to malfunction.
- **Handling:** Always handle firearms safely and responsibly. Treat every firearm as if it is loaded.
- **Maintenance:** Regularly inspect the sight for any signs of damage or wear. Do not use if damaged.
- **Shooting Environment:** Use the sight in safe and controlled environments. Be aware of your surroundings and ensure a safe backstop.
- **Training:** Familiarize yourself with the sight's operation and practice regularly to improve your skills.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded before installation.
- Remove the existing front sight from your pistol.
- Align the Mepro FT Bullseye Front Sight with the mounting dovetail on your pistol.
- Secure the sight in place according to the manufacturer's specifications.
- Confirm that the sight is firmly attached and aligned correctly.

2. Usage:

- To aim, align the central point of the Mepro FT Bullseye with your target.
- Use the fiber optic features during daylight and the tritium for lowlight conditions.
- Practice drawing and aiming under pressure to enhance instinctive shooting.

Disposal Instructions

- Dispose of the Mepro FT Bullseye Front Sight in accordance with local regulations for electronic and hazardous waste.
- Do not dispose of the sight in regular household waste. Check with local waste management facilities for proper disposal methods.

Contact Information for Further Support

For further assistance, please refer to the manufacturer's website or customer service channels for support and inquiries regarding the Mepro FT Bullseye Front Sight.

Thank you for your attention to these safety instructions. Enjoy your shooting experience with the Mepro FT Bullseye Front Sight!
