

# MEPRO EVERGREEN PISTOL SET CZ P07 - EVERGREEN PISTOL SET CZ P07/09 G RING/G

[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

Mepro Evergreen™ is a super bright LED-based illuminated sight for daytime and nighttime operations. The Mepro Evergreen™ enables the shooter to hit stationary or moving targets while increasing dramatically the hit probability. In the daytime and nighttime operations, the shooter's target acquisition capability deepens on a clear view of crystal clear solid dots. The super bright LED light source inserted into both front and rear metal housing, ensure a clear sharp illuminated three-dot picture. Based on an illuminated sight patent, The Mepro Evergreen™ has an exceptional power source that ensures constant and reliable use of 5 consecutive years of operation. Meprolight also offers selective pistol models the Mepro Evergreen™ super bright LED front sight only with U shape rear sight (not illuminated), which have shown a dramatic increase in users' hit probability. The Mepro Evergreen™ does not contain any hazardous material and complies with European standards. Superior production methods and rigid quality control have made Meprolight the first choice among law enforcement agencies, defense decision-makers, and major weapon manufacturers. A full quality program, certified to ISO-9001:2008 and complying with NATO and US Military Specifications is in place. All products and processes at Meprolight are performed, controlled, and monitored to these demanding quality levels. Originally developed for the Israel Defense Forces, Meprolight sights are now in use by Military, Law Enforcement, and Civilians on Six Continents. Meprolight's modern design, production, and test facilities, with the most experienced technical staff in the industry, are ready to support you. When quality counts, be sure with Meprolight.

# Mepro Evergreen Pistol Set Safety Instruction Guide

## Introduction

Thank you for choosing the Mepro Evergreen Pistol Set CZ P07. This guide provides important safety information to ensure the safe use and handling of your product. Please read this manual carefully before using the sight to understand how to operate it safely and effectively.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose as an illuminated sight for firearms.
- Always treat every firearm as if it is loaded.
- Keep the sight and firearm out of reach of children and unauthorized users.
- Regularly inspect the sight for any signs of damage or wear. If any damage is found, discontinue use and consult a professional.
- Be aware of your surroundings and ensure a safe shooting environment.
- Follow all local laws and regulations regarding firearm usage and safety.
- Use appropriate eye and ear protection when operating firearms equipped with the Mepro Evergreen sight.

## Specific Safety Precautions for Use

- Do not look directly into the LED light source to avoid potential eye damage.
- Ensure that the sight is securely mounted to the firearm before use.
- Avoid exposing the sight to extreme temperatures, moisture, or corrosive substances to maintain its functionality.
- Do not attempt to disassemble or modify the sight, as this may compromise its safety and performance.
- Always verify that the sight is functioning correctly before use. This includes checking the power source and ensuring a clear view of the illuminated dots.

## Instructions for Installation and Usage

### Installation

1. **Gather Necessary Tools:** Ensure you have the required tools for mounting the sight securely.
2. **Mounting the Sight:**
  - Align the sight with the designated mounting area on your firearm.
  - Secure the sight using the appropriate screws or mounting hardware provided.
  - Tighten all screws to ensure the sight is firmly in place, but avoid overtightening.
3. **Power On:**
  - Activate the sight by following the manufacturer's instructions for powering it on.
  - Check that the LED light is functioning and that the illuminated dots are clearly visible.

### Usage

- **Target Acquisition:**
  - Use the illuminated dots for aiming at stationary or moving targets.
  - Practice acquiring targets in both daylight and lowlight conditions to become familiar with the sight's capabilities.
- **Maintenance:**
  - Regularly clean the sight with a soft, dry cloth to maintain clarity.
  - Store the firearm and sight in a cool, dry place when not in use.

## Disposal Instructions

- Dispose of the sight and any associated materials in accordance with local regulations.
- Do not dispose of the sight in regular household waste. Instead, use designated electronic waste recycling facilities if available.

## Contact Information for Further Support

For any safety inquiries, product support, or concerns regarding the Mepro Evergreen Pistol Set, please refer to the manufacturer's website or contact their customer service directly.

By following these safety guidelines and instructions, you can ensure a safer shooting experience with your Mepro Evergreen Pistol Set CZ P07. Always prioritize safety and responsible usage. Thank you for choosing Meprolight.
