

MEPRO EVERGREEN PISTOL SET CZ 75 - EVERGREEN PISTOL SET CZ 75/85/97/SP01 Y RING/BLANK

[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

Mepro Evergreen™ is a super bright LED-based illuminated sight for daytime and nighttime operations. The Mepro Evergreen™ enables the shooter to hit stationary or moving targets while increasing dramatically the hit probability. In the daytime and nighttime operations, the shooter's target acquisition capability deepens on a clear view of crystal clear solid dots. The super bright LED light source inserted into both front and rear metal housing, ensure a clear sharp illuminated three-dot picture. Based on an illuminated sight patent, The Mepro Evergreen™ has an exceptional power source that ensures constant and reliable use of 5 consecutive years of operation. Meprolight also offers selective pistol models the Mepro Evergreen™ super bright LED front sight only with U shape rear sight (not illuminated), which have shown a dramatic increase in users' hit probability. The Mepro Evergreen™ does not contain any hazardous material and complies with European standards. Superior production methods and rigid quality control have made Meprolight the first choice among law enforcement agencies, defense decision-makers, and major weapon manufacturers. A full quality program, certified to ISO-9001:2008 and complying with NATO and US Military Specifications is in place. All products and processes at Meprolight are performed, controlled, and monitored to these demanding quality levels. Originally developed for the Israel Defense Forces, Meprolight sights are now in use by Military, Law Enforcement, and Civilians on Six Continents. Meprolight's modern design, production, and test facilities, with the most experienced technical staff in the industry, are ready to support you. When quality counts, be sure with Meprolight.

Safety Instruction Guide for MEPRO EVERGREEN PISTOL SET CZ 75

Introduction

Thank you for choosing the MEPRO EVERGREEN PISTOL SET CZ 75. This product is designed to enhance your shooting experience with its advanced illuminated sight technology. To ensure your safety and the safe use of this product, please read and follow the guidelines outlined in this document.

General Safety Guidelines

- Ensure safe use of the product by adhering to the following safety guidelines:
 - Always treat every firearm as if it is loaded.
 - Keep the firearm pointed in a safe direction at all times.
 - Store the firearm securely when not in use, out of reach of children and unauthorized users.
 - Be aware of your target and what lies beyond it.
 - Use the product only for its intended purpose.
- Enhanced recalls and safety measures:
 - Stay informed about any recalls related to this product through official channels.
 - In the event of a safety recall, follow the instructions provided for returning or remedying the product.
- Online shopping safety:
 - If purchasing online, ensure that the retailer complies with safety regulations and provides clear product information.
- Special consumer focus:
 - Extra precautions should be taken when children are present. Always supervise children around firearms and related equipment.
- Rapid alerts:
 - Be vigilant for updates on unsafe products via the EU Safety Gate platform.

Specific Safety Precautions for Use

- Before using the MEPRO EVERGREEN PISTOL SET CZ 75, please consider the following precautions:
 - Ensure that the sight is properly installed and secured before use.
 - Do not modify the sight or the firearm in any way that could compromise safety.
 - Use only compatible ammunition as specified by the firearm manufacturer.
 - Regularly inspect the sight for any signs of damage or wear. Do not use if damaged.
 - Avoid exposing the sight to extreme temperatures or harsh environmental conditions that could affect performance.
 - Always wear appropriate eye and ear protection when using firearms.

Instructions for Installation and Usage

- Follow these steps to ensure proper installation and usage of the MEPRO EVERGREEN PISTOL SET CZ 75:

1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing sight if applicable, using appropriate tools.
- Align the MEPRO EVERGREEN sight with the mounting dovetail on the firearm.
- Secure the sight using the provided screws or mounting hardware.
- Check that the sight is firmly attached and does not move.

2. Usage:

- Before each use, ensure the sight is clean and free of obstructions.
- Adjust the brightness settings as needed for optimal visibility in various lighting conditions.
- Practice target acquisition with the illuminated sight in a safe and controlled environment.
- Regularly check the sight's functionality to ensure it is operating correctly.

Disposal Instructions

- Proper disposal of the MEPRO EVERGREEN PISTOL SET CZ 75 is important for safety and environmental protection:
 - Do not dispose of the product in regular household waste.
 - Follow local regulations for the disposal of electronic devices and hazardous materials.
 - If the sight is damaged or no longer usable, contact local waste management authorities for guidance on proper disposal methods.

Contact Information for Further Support

- For any questions or concerns regarding the MEPRO EVERGREEN PISTOL SET CZ 75, please refer to the manufacturer's website or customer support resources for assistance.

Thank you for your attention to these safety instructions. Your safety and the safety of those around you are of utmost importance. Always prioritize safe practices when handling firearms and related equipment.
