[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

Mepro Evergreen™ is a super bright LED-based illuminated sight for daytime and nighttime operations. The Mepro Evergreen™ enables the shooter to hit stationary or moving targets while increasing dramatically the hit probability. In the daytime and nighttime operations, the shooter's target acquisition capability deepens on a clear view of crystal clear solid dots. The super bright LED light source inserted into both front and rear metal housing, ensure a clear sharp illuminated three-dot picture. Based on an illuminated sight patent, The Mepro Evergreen™ has an exceptional power source that ensures constant and reliable use of 5 consecutive years of operation. Meprolight also offers selective pistol models the Mepro Evergreen™ super bright LED front sight only with U shape rear sight (not illuminated), which have shown a dramatic increase in users' hit probability. The Mepro Evergreen™ does not contain any hazardous material and complies with European standards. Superior production methods and rigid quality control have made Meprolight the first choice among law enforcement agencies, defense decision-makers, and major weapon manufacturers. A full quality program, certified to ISO-9001:2008 and complying with NATO and US Military Specifications is in place. All products and processes at Meprolight are performed, controlled, and monitored to these demanding quality levels. Originally developed for the Israel Defense Forces, Meprolight sights are now in use by Military, Law Enforcement, and Civilians on Six Continents. Meprolight's modern design, production, and test facilities, with the most experienced technical staff in the industry, are ready to support you. When quality counts, be sure with Meprolight.

# MEPRO EVERGREEN PISTOL SET Safety Instruction Guide

## Introduction

Thank you for choosing the Mepro Evergreen™ Pistol Set. This guide provides essential safety instructions and precautions to ensure the safe and effective use of your illuminated sight. Please read this manual carefully before using the product.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose as described in this guide.
- Always handle firearms and related accessories with care and follow all local laws and regulations.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of damage or wear. Do not use if damaged.
- Be aware of your surroundings and ensure that you are in a safe environment when using the sight.
- Report any unsafe products or accidents to local authorities immediately.
- Check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Do not look directly into the LED light source; it may cause temporary visual impairment.
- Ensure that the sight is properly installed before use to avoid malfunction.
- Use the sight in accordance with the manufacturer's instructions to maximize safety and performance.
- Avoid exposure to extreme temperatures and moisture, which may affect the product's functionality.
- Do not disassemble or modify the sight, as this may compromise its safety features.

## Instructions for Installation and Usage

### 1. Installation

- Ensure the firearm is unloaded before installation.
- Follow the manufacturer's instructions for mounting the Mepro Evergreen™ sight on your firearm.
- Verify that the sight is securely attached and properly aligned.

### 2. Usage

- When using the sight, maintain a proper shooting stance and grip.
- Use the illuminated sight in both daytime and nighttime conditions for optimal target acquisition.
- Regularly practice with the sight to become familiar with its operation and improve accuracy.

### 3. Maintenance

- Clean the sight regularly with a soft, dry cloth to maintain clarity and performance.
- Store the sight in a cool, dry place when not in use to prevent damage.

## Disposal Instructions

- Dispose of the product in accordance with local regulations for electronic waste.
- Do not dispose of the sight in regular household waste.
- Contact your local waste management authority for information on proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the Mepro Evergreen™ Pistol Set, please refer to the manufacturer's contact information provided with your product packaging.

By following these safety guidelines and instructions, you can ensure a safe and enjoyable experience with your Mepro Evergreen™ Pistol Set. Thank you for choosing Meprolight.
