[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

Mepro Evergreen™ is a super bright LED-based illuminated sight for daytime and nighttime operations. The Mepro Evergreen™ enables the shooter to hit stationary or moving targets while increasing dramatically the hit probability. In the daytime and nighttime operations, the shooter's target acquisition capability deepens on a clear view of crystal clear solid dots. The super bright LED light source inserted into both front and rear metal housing, ensure a clear sharp illuminated three-dot picture. Based on an illuminated sight patent, The Mepro Evergreen™ has an exceptional power source that ensures constant and reliable use of 5 consecutive years of operation. Meprolight also offers selective pistol models the Mepro Evergreen™ super bright LED front sight only with U shape rear sight (not illuminated), which have shown a dramatic increase in users' hit probability. The Mepro Evergreen™ does not contain any hazardous material and complies with European standards. Superior production methods and rigid quality control have made Meprolight the first choice among law enforcement agencies, defense decision-makers, and major weapon manufacturers. A full quality program, certified to ISO-9001:2008 and complying with NATO and US Military Specifications is in place. All products and processes at Meprolight are performed, controlled, and monitored to these demanding quality levels. Originally developed for the Israel Defense Forces, Meprolight sights are now in use by Military, Law Enforcement, and Civilians on Six Continents. Meprolight's modern design, production, and test facilities, with the most experienced technical staff in the industry, are ready to support you. When quality counts, be sure with Meprolight.

Safety Instruction Guide for MEPRO EVERGREEN PISTOL SET H&K 45

Introduction

Thank you for choosing the MEPRO EVERGREEN PISTOL SET H&K 45. This guide provides essential safety instructions to ensure the safe use of your product. Please read this document carefully before using the sight to understand the precautions and proper handling.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always follow the manufacturer's instructions for installation and use.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the sight for any signs of damage or wear.
- Report any unsafe conditions or incidents to the appropriate authorities.
- Stay informed about any product recalls or safety alerts.

Specific Safety Precautions for Use

- Do not use the sight if it is damaged or malfunctioning.
- Avoid looking directly into the LED light source to prevent eye strain or injury.
- Ensure that the sight is securely mounted to the firearm before use.
- Do not modify the sight in any way, as this may affect its performance and safety.
- Use the sight only in suitable environmental conditions, avoiding extreme temperatures and humidity.
- Always ensure that the firearm is pointed in a safe direction when using the sight.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove any existing sights from the firearm according to the manufacturer's guidelines.
- Align the MEPRO EVERGREEN sight with the mounting rail or dovetail of your firearm.
- Securely fasten the sight using the provided screws or mounting hardware.
- Doublecheck that the sight is tightly secured and positioned correctly.

2. Usage:

- Before using the sight, ensure that the firearm is properly zeroed.
- Activate the sight by turning on the LED light source as per the manufacturer's instructions.
- Use the illuminated dots for target acquisition during both daytime and nighttime operations.
- Practice regularly to become familiar with the sight's capabilities and improve your shooting accuracy.
- Always follow safe firearm handling practices while using the sight.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding electronic waste.
- Do not throw the sight in regular household waste.
- Check with local authorities or waste management facilities for proper disposal methods.

Contact Information for Further Support

For any inquiries or support regarding the MEPRO EVERGREEN PISTOL SET H&K 45, please refer to the manufacturer's website or customer service resources. Ensure you have the product information available for efficient assistance.

Thank you for your attention to these safety instructions. Adhering to these guidelines will help ensure a safe and enjoyable experience with your MEPRO EVERGREEN PISTOL SET H&K 45.
