[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

Mepro Evergreen™ is a super bright LED-based illuminated sight for daytime and nighttime operations. The Mepro Evergreen™ enables the shooter to hit stationary or moving targets while increasing dramatically the hit probability. In the daytime and nighttime operations, the shooter's target acquisition capability deepens on a clear view of crystal clear solid dots. The super bright LED light source inserted into both front and rear metal housing, ensure a clear sharp illuminated three-dot picture. Based on an illuminated sight patent, The Mepro Evergreen™ has an exceptional power source that ensures constant and reliable use of 5 consecutive years of operation. Meprolight also offers selective pistol models the Mepro Evergreen™ super bright LED front sight only with U shape rear sight (not illuminated), which have shown a dramatic increase in users' hit probability. The Mepro Evergreen™ does not contain any hazardous material and complies with European standards. Superior production methods and rigid quality control have made Meprolight the first choice among law enforcement agencies, defense decision-makers, and major weapon manufacturers. A full quality program, certified to ISO-9001:2008 and complying with NATO and US Military Specifications is in place. All products and processes at Meprolight are performed, controlled, and monitored to these demanding quality levels. Originally developed for the Israel Defense Forces, Meprolight sights are now in use by Military, Law Enforcement, and Civilians on Six Continents. Meprolight's modern design, production, and test facilities, with the most experienced technical staff in the industry, are ready to support you. When quality counts, be sure with Meprolight.

MEPRO EVERGREEN PISTOL SET Safety Instructions

Introduction

Thank you for choosing the MEPRO EVERGREEN PISTOL SET H&K 45. This product is designed to enhance your shooting experience with superior visibility and accuracy. To ensure your safety and the safety of others, please read and follow these safety instructions carefully.

General Safety Guidelines

- Ensure that you are familiar with the operation and features of your firearm before using the MEPRO EVERGREEN PISTOL SET.
- Always treat every firearm as if it is loaded, even if you believe it to be unloaded.
- Keep the firearm pointed in a safe direction at all times.
- Store the firearm in a secure location, out of reach of children and unauthorized users.
- Regularly inspect your MEPRO EVERGREEN sights for any signs of damage or wear.
- Be aware of your surroundings and ensure that you have a clear line of sight before firing.
- Follow all local laws and regulations regarding firearm use and ownership.

Specific Safety Precautions for Use

- Do not use the MEPRO EVERGREEN sights in conditions where visibility is severely limited, such as heavy fog or darkness without adequate ambient light.
- Avoid using the product if it shows any signs of physical damage, including cracks or loose components.
- Do not attempt to modify or disassemble the MEPRO EVERGREEN sights; doing so may compromise safety and performance.
- Ensure that the firearm is properly maintained and that all components are functioning correctly before use.
- Do not use the sights with ammunition that is not compatible with your firearm.
- Always wear appropriate eye protection while shooting.

Instructions for Installation and Usage

1. Installation:

- Ensure that the firearm is unloaded and pointed in a safe direction.
- Remove any existing sights from your firearm following the manufacturer's instructions.
- Align the MEPRO EVERGREEN sights with the mounting points on your firearm.
- Secure the sights using the provided screws and tools, ensuring they are tightened adequately but not overtightened.
- Confirm that the sights are aligned properly before use.

2. Usage:

- To activate the illuminated sights, follow the specific activation instructions provided with your product.
- Adjust the brightness settings as needed for your shooting conditions.
- Practice acquiring targets with the illuminated sights in a safe environment before engaging in live shooting.
- Regularly check the battery life of the illuminated sights and replace batteries as necessary to maintain optimal performance.

Disposal Instructions

- Dispose of the MEPRO EVERGREEN sights in accordance with local regulations.
- Do not dispose of any electronic components in regular household waste.
- Consider recycling options for electronic waste to minimize environmental impact.

Contact Information for Further Support

For any questions or concerns regarding the MEPRO EVERGREEN PISTOL SET H&K 45, please refer to the manufacturer's website or contact your local dealer for assistance.

By following these safety instructions, you can ensure a safer shooting experience with your MEPRO EVERGREEN PISTOL SET. Always prioritize safety and responsibility when handling firearms.
