

# MEPRO EVERGREEN PISTOL SET WALTHER PPQ G RING/BLANK - EVERGREEN PISTOL SET WALTHER PPQ Y RING/BLANK

[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

Mepro Evergreen™ is a super bright LED-based illuminated sight for daytime and nighttime operations. The Mepro Evergreen™ enables the shooter to hit stationary or moving targets while increasing dramatically the hit probability. In the daytime and nighttime operations, the shooter's target acquisition capability deepens on a clear view of crystal clear solid dots. The super bright LED light source inserted into both front and rear metal housing, ensure a clear sharp illuminated three-dot picture. Based on an illuminated sight patent, The Mepro Evergreen™ has an exceptional power source that ensures constant and reliable use of 5 consecutive years of operation. Meprolight also offers selective pistol models the Mepro Evergreen™ super bright LED front sight only with U shape rear sight (not illuminated), which have shown a dramatic increase in users' hit probability. The Mepro Evergreen™ does not contain any hazardous material and complies with European standards. Superior production methods and rigid quality control have made Meprolight the first choice among law enforcement agencies, defense decision-makers, and major weapon manufacturers. A full quality program, certified to ISO-9001:2008 and complying with NATO and US Military Specifications is in place. All products and processes at Meprolight are performed, controlled, and monitored to these demanding quality levels. Originally developed for the Israel Defense Forces, Meprolight sights are now in use by Military, Law Enforcement, and Civilians on Six Continents. Meprolight's modern design, production, and test facilities, with the most experienced technical staff in the industry, are ready to support you. When quality counts, be sure with Meprolight.

# Safety Instruction Guide for Mepro Evergreen Pistol Set

## Introduction

Thank you for choosing the Mepro Evergreen Pistol Set for your shooting needs. This guide provides essential safety instructions to ensure the safe and effective use of your product. Please read this guide carefully before using the Mepro Evergreen Pistol Set.

## General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Keep the firearm pointed in a safe direction at all times.
- Store the firearm and its components in a secure location, out of reach of children and unauthorized users.
- Familiarize yourself with the operation of your firearm and the Mepro Evergreen sights before use.
- Always wear appropriate eye and ear protection when using firearms.
- Ensure that you are in a safe environment, such as a designated shooting range, when using your firearm.
- Regularly inspect your firearm and sights for any signs of wear or damage before use.

## Specific Safety Precautions for Use

- The Mepro Evergreen sights are designed for use on the Walther PPQ model. Ensure compatibility before installation.
- Do not modify or attempt to repair the Mepro Evergreen sights. Any alterations may compromise safety and performance.
- Be aware of your surroundings and ensure that there is a clear line of sight to your target.
- Avoid using the sights in low visibility conditions without proper illumination.
- If you notice any malfunction or irregularity during use, stop using the firearm immediately and seek professional assistance.

## Instructions for Installation and Usage

### Installation

1. Ensure that your firearm is unloaded and pointed in a safe direction.
2. Remove the existing sights from your Walther PPQ, following the manufacturer's instructions.
3. Carefully install the Mepro Evergreen sights in accordance with the included installation guide.
4. Ensure that the sights are securely attached and aligned properly.
5. Perform a functional check to confirm that the sights operate correctly.

### Usage

- To activate the illuminated sights, ensure that the battery is installed and functioning properly.
- Adjust the brightness settings according to the ambient lighting conditions.
- Practice target acquisition with the Mepro Evergreen sights in a controlled environment before using them in a live shooting scenario.
- Regularly clean and maintain the sights to ensure optimal performance.

## Disposal Instructions

- Dispose of the Mepro Evergreen sights and any associated components in accordance with local

regulations.

- Do not dispose of electronic components in regular household waste.
- Check with local waste management authorities for proper disposal methods for electronic waste.

## Contact Information for Further Support

For any inquiries regarding the safety and performance of the Mepro Evergreen Pistol Set, please refer to the manufacturer's contact information provided on the product packaging or visit the official website.

**Important Note:** This safety instruction guide complies with the EU General Product Safety Regulation (GPSR). It aims to ensure the safe use of the Mepro Evergreen Pistol Set and to protect consumers from potential hazards. Always stay informed about product recalls and safety updates through official channels.
