MEPROLIGHT® combat-proven self-illuminated night sights enable you to upgrade your capabilities to hit stationary or moving targets under low-light conditions with dramatically increased hit probability. Test results by marksmen and journeymen level shooters have shown an increase of over 85% in hit efficiency, using Meprolight® self-illuminated day/night sights. Designed as replacement parts for the standard weapon sights, Meprolight's Self-Illuminated night sights can be mounted directly with minor modifications. Superior production methods and rigid quality control have made Meprolight® the first choice among law enforcement agencies, defense decision-makers, and major weapon manufacturers. A full quality program, certified to ISO-9001:2008 and complying with NATO and US Military Specifications is in place. All products and processes at Meprolight® are performed, controlled, and monitored to these demanding quality levels.

Tru Dot Fixed Shotgun Set Safety Instruction Guide

Introduction

Thank you for choosing the Tru Dot Fixed Shotgun Set for your Benelli M1S90 and M4 (Post 2001) models. This guide provides essential safety instructions and guidelines to ensure safe and effective use of the product. Please read this document carefully before installation and use.

General Safety Guidelines

- Ensure the product is suitable for your specific firearm model before installation.
- Always handle your firearm with care and treat it as if it is loaded.
- Use the Tru Dot Fixed Shotgun Set only for its intended purpose.
- Keep the product and all related materials out of reach of children and unauthorized users.
- Regularly inspect the product for wear and damage. Do not use if damaged.
- Follow all local laws and regulations regarding firearm accessories and modifications.

Specific Safety Precautions for Use

- Avoid using the product in conditions that may impair your vision or concentration.
- Be aware of your surroundings when using your firearm equipped with this product.
- Ensure that the sight is properly aligned before taking any shots.
- Practice safe shooting habits, including using appropriate eye and ear protection.
- If you experience any issues with the product, discontinue use immediately and consult a professional.

Instructions for Installation and Usage

Installation

1. **Preparation:** Ensure your firearm is unloaded and pointed in a safe direction.
2. **Remove Existing Sights:** Carefully remove the standard weapon sights from your Benelli M1S90 or M4.
3. **Mounting the Tru Dot Sights:**
 - Align the Tru Dot Fixed Shotgun Front sight with the mounting area.
 - Secure the sight using the provided screws. Ensure it is tightly fastened to avoid movement during use.
4. **Check Alignment:** Confirm that the sight is properly aligned with the barrel. Make adjustments if necessary.
5. **Final Inspection:** Inspect the installation to ensure all components are secure and properly positioned.

Usage

- Familiarize yourself with the sighting system before live fire.
- Practice using the sight in a controlled environment to ensure comfort and accuracy.
- Adjust your shooting technique as needed to account for the sight's capabilities.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding electronic waste and firearm accessories.
- If the product is damaged or no longer usable, ensure it is safely disposed of to prevent accidental use.

Contact Information for Further Support

For any safety inquiries or concerns regarding the Tru Dot Fixed Shotgun Set, please reach out to your local distributor or manufacturer. Ensure you have the product details ready for a more efficient response.

Conclusion

The Tru Dot Fixed Shotgun Set is designed to enhance your shooting experience while ensuring safety and compliance with established guidelines. Always prioritize safety and proper usage to maximize the benefits of your new sighting system. Thank you for your attention to these important safety instructions.
