[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

MEPROLIGHT® combat-proven self-illuminated night sights enable you to upgrade your capabilities to hit stationary or moving targets under low-light conditions with dramatically increased hit probability. Test results by marksmen and journeymen level shooters have shown an increase of over 85% in hit efficiency, using Meprolight® self-illuminated day/night sights. Designed as replacement parts for the standard weapon sights, Meprolight's Self-Illuminated night sights can be mounted directly with minor modifications. Superior production methods and rigid quality control have made Meprolight® the first choice among law enforcement agencies, defense decision-makers, and major weapon manufacturers. A full quality program, certified to ISO-9001:2008 and complying with NATO and US Military Specifications is in place. All products and processes at Meprolight® are performed, controlled, and monitored to these demanding quality levels.

Safety Instruction Guide for Tru Dot Fixed Shotgun Set Benelli

Introduction

Thank you for choosing the Tru Dot Fixed Shotgun Set for your Benelli M1S90 and M4 (Post 2001). This guide provides important safety instructions, installation procedures, and general usage guidelines to ensure safe and effective operation of your product. Please read this guide carefully before using the product.

General Safety Guidelines

- Ensure that the product is compatible with your firearm model before installation.
- Always treat your firearm as if it is loaded, even when it is not.
- Store the Tru Dot Fixed Shotgun Set in a secure location, away from children and unauthorized users.
- Follow all local laws and regulations regarding firearm use and safety.
- Regularly inspect the product for any signs of damage or wear before use.
- If you notice any irregularities, discontinue use and consult a qualified gunsmith.

Specific Safety Precautions for Use

- Only use the Tru Dot Fixed Shotgun Set in accordance with the manufacturer's specifications.
- Avoid using the product under conditions that may compromise your safety, such as low visibility or adverse weather.
- Ensure that your firearm is clean and wellmaintained to prevent malfunctions.
- Use appropriate eye and ear protection when operating your firearm.
- Be aware of your surroundings and ensure that you have a clear line of sight when aiming and firing.
- Do not point your firearm at anything you do not intend to shoot.

Instructions for Installation and Usage

1. Installation Steps:

- Ensure your firearm is unloaded and pointed in a safe direction.
- Remove the existing sights from your Benelli M1S90 or M4 (Post 2001) according to the manufacturer's instructions.
- Align the Tru Dot Fixed Shotgun Rear Sight with the mounting area on your firearm.
- Secure the sight using the provided screws, ensuring it is tightly fastened.
- Check for proper alignment and functionality before use.

2. Usage Instructions:

- Familiarize yourself with the sighting system and practice aiming in a controlled environment.
- Adjust your shooting stance and grip for optimal stability when aiming.
- Use the selfilluminated feature of the Tru Dot sights in lowlight conditions to enhance visibility.
- Regularly practice shooting under various conditions to improve your skills and confidence.

Disposal Instructions

- Dispose of the Tru Dot Fixed Shotgun Set in accordance with local regulations.
- If the product is damaged or no longer usable, consider recycling materials when possible.
- Do not dispose of the product in regular household waste.

Contact Information for Further Support

For any safety inquiries or support, please refer to the manufacturer's contact information provided on the product packaging or visit the official website.

Conclusion

Your safety is paramount when using the Tru Dot Fixed Shotgun Set. By following these guidelines and instructions, you can ensure a safe and effective experience with your firearm. Always remain vigilant and prioritize safety in all aspects of firearm handling and usage. Thank you for your attention to these important safety measures.
