[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

MEPROLIGHT® combat-proven self-illuminated night sights enable you to upgrade your capabilities to hit stationary or moving targets under low-light conditions with dramatically increased hit probability. Test results by marksmen and journeymen level shooters have shown an increase of over 85% in hit efficiency, using Meprolight® self-illuminated day/night sights. Designed as replacement parts for the standard weapon sights, Meprolight's Self-Illuminated night sights can be mounted directly with minor modifications. Superior production methods and rigid quality control have made Meprolight® the first choice among law enforcement agencies, defense decision-makers, and major weapon manufacturers. A full quality program, certified to ISO-9001:2008 and complying with NATO and US Military Specifications is in place. All products and processes at Meprolight® are performed, controlled, and monitored to these demanding quality levels.

Tru Dot Fixed Shotgun Set Safety Instruction Guide

Introduction

Thank you for choosing the Tru Dot FIXED SHOTGUN SET for your Benelli M2. This safety instruction guide provides essential information to ensure the safe use and installation of your new sight set. Please read this guide thoroughly before use to maximize safety and performance.

General Safety Guidelines

- Ensure the product is used only for its intended purpose.
- Always handle firearms with care and follow standard safety procedures.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the sight for any signs of damage or wear.
- In case of any malfunction, cease use immediately and consult a qualified gunsmith.

Specific Safety Precautions for Use

- Use only with compatible models: Benelli M2, NOVA, and S.NOVA (Post 2001).
- Avoid using the sight in extreme weather conditions that may affect visibility.
- Do not attempt to modify the sight beyond the minor adjustments specified in the installation instructions.
- Ensure the firearm is unloaded before installing or adjusting the sight.
- Always wear appropriate eye protection when using firearms equipped with this sight.

Instructions for Installation and Usage

1. Preparation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather necessary tools for installation, including a screwdriver.

2. Installation Steps:

- Remove the existing sight from the firearm using the screwdriver.
- Align the Tru Dot FIXED SHOTGUN FRONT sight with the mounting area on the firearm.
- Secure the sight in place using the screws provided with the product. Ensure it is tight but do not overtighten to avoid damaging the sight or firearm.
- Perform a visual inspection to confirm that the sight is securely attached.

3. Usage:

- Familiarize yourself with the sight before use. Practice aiming in a safe environment.
- Adjust your aim according to the visibility conditions. The selfilluminated feature will enhance visibility in lowlight scenarios.
- Regularly check the alignment of the sight during use to ensure accuracy.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of it in regular household waste.
- If the product is damaged or no longer usable, contact your local waste management authority for proper disposal.

disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the Tru Dot FIXED SHOTGUN SET, please refer to the manufacturer's website or contact your local distributor.

Conclusion

By following these safety instructions, you will ensure a safe and effective experience with your Tru Dot FIXED SHOTGUN SET. Always prioritize safety and consult professionals when in doubt. Thank you for your attention to these guidelines.
