[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

MEPROLIGHT® combat-proven self-illuminated night sights enable you to upgrade your capabilities to hit stationary or moving targets under low-light conditions with dramatically increased hit probability. Test results by marksmen and journeymen level shooters have shown an increase of over 85% in hit efficiency, using Meprolight® self-illuminated day/night sights. Designed as replacement parts for the standard weapon sights, Meprolight's Self-Illuminated night sights can be mounted directly with minor modifications. Superior production methods and rigid quality control have made Meprolight® the first choice among law enforcement agencies, defense decision-makers, and major weapon manufacturers. A full quality program, certified to ISO-9001:2008 and complying with NATO and US Military Specifications is in place. All products and processes at Meprolight® are performed, controlled, and monitored to these demanding quality levels.

# Tru Dot Fixed Shotgun Set Safety Instruction Guide

## Introduction

Thank you for purchasing the Tru Dot Fixed Shotgun Set for Benelli M2. This product is designed to enhance your shooting accuracy under lowlight conditions. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

## General Safety Guidelines

- Ensure that the product is installed correctly before use.
- Always handle firearms responsibly and in accordance with local laws and regulations.
- Store the shotgun and accessories in a secure location, away from children and unauthorized users.
- Regularly inspect the product for any signs of wear or damage. Do not use damaged products.
- Be aware of your surroundings and ensure a clear line of sight before firing.
- Report any unsafe products or accidents to the appropriate authorities immediately.
- Check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Always treat your shotgun as if it is loaded.
- Do not point the shotgun at anything you do not intend to shoot.
- Use only the recommended ammunition for your shotgun model.
- Wear appropriate eye and ear protection when shooting.
- Ensure that the area is clear of people and obstacles before firing.
- If you experience a misfire, wait 30 seconds before attempting to clear the chamber.
- Use the product only for its intended purpose as specified by the manufacturer.

## Instructions for Installation and Usage

### 1. Installation

- Ensure your shotgun is unloaded and pointed in a safe direction.
- Remove the existing sights from your Benelli M2.
- Align the Tru Dot Fixed Shotgun Rear Sight with the mounting area.
- Secure the sight using the provided screws, ensuring it is tightly fitted.
- Doublecheck the alignment and tightness before proceeding to use the shotgun.

### 2. Usage

- Familiarize yourself with the sighting system before engaging in live shooting.
- Practice shooting in a controlled environment to understand the sight's performance.
- Adjust your aim based on environmental conditions such as lighting and distance to target.
- Regularly maintain and clean the sight to ensure optimal performance.

## Disposal Instructions

- Dispose of any packaging materials in accordance with local recycling regulations.
- If the product is damaged beyond repair, follow local guidelines for safe disposal of electronic components.
- Do not dispose of the product in household waste. Check for designated electronic waste disposal sites.

## **Contact Information for Further Support**

For any questions or concerns regarding the Tru Dot Fixed Shotgun Set, please consult the manufacturer's website or refer to the product packaging for further assistance.

By following these guidelines, you can ensure a safe and enjoyable experience with your Tru Dot Fixed Shotgun Set. Always prioritize safety and responsible usage when handling firearms.
