[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

MEPROLIGHT® combat-proven self-illuminated night sights enable you to upgrade your capabilities to hit stationary or moving targets under low-light conditions with dramatically increased hit probability. Test results by marksmen and journeymen level shooters have shown an increase of over 85% in hit efficiency, using Meprolight® self-illuminated day/night sights. Designed as replacement parts for the standard weapon sights, Meprolight's Self-Illuminated night sights can be mounted directly with minor modifications. Superior production methods and rigid quality control have made Meprolight® the first choice among law enforcement agencies, defense decision-makers, and major weapon manufacturers. A full quality program, certified to ISO-9001:2008 and complying with NATO and US Military Specifications is in place. All products and processes at Meprolight® are performed, controlled, and monitored to these demanding quality levels.

# MEPRO Tru Dot RIFLE SIGHTS Safety Instruction Guide

## Introduction

Thank you for choosing the MEPRO Tru Dot RIFLE SIGHTS. These combatproven selfilluminated night sights are designed to enhance your shooting capabilities, especially under lowlight conditions. This guide provides essential safety instructions to ensure safe and effective use of the product in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Ensure that you are familiar with the operation of your firearm before using the MEPRO Tru Dot RIFLE SIGHTS.
- Always treat every firearm as if it is loaded.
- Store your firearm and sights in a secure location, away from children and unauthorized users.
- Follow all local laws and regulations regarding firearm ownership and use.
- Regularly inspect your sights for any signs of damage or wear.
- If you notice any defects, do not use the sights and contact a qualified professional for assistance.

## Specific Safety Precautions for Use

- Do not attempt to modify or disassemble the sights.
- Ensure that the sights are properly mounted before use.
- Always wear appropriate eye protection when using firearms equipped with these sights.
- Use the sights only for their intended purpose.
- Ensure that the area is clear of bystanders when firing your weapon.
- Be aware of your target and what lies beyond it.

## Instructions for Installation and Usage

### Installation

1. **Preparation:** Ensure your firearm is unloaded before starting the installation process.
2. **Mounting the Front Sight:**
  - Remove the existing front sight from your firearm.
  - Align the MEPRO Tru Dot front sight with the mounting slot.
  - Secure it in place according to the manufacturer's specifications.
3. **Mounting the Rear Sight:**
  - Remove the existing rear sight from your firearm.
  - Align the MEPRO Tru Dot rear sight with the mounting slot.
  - Secure it in place according to the manufacturer's specifications.
4. **Final Check:** Ensure all screws are tight and the sights are properly aligned.

### Usage

- Familiarize yourself with the sighting system before use.
- Practice shooting in a controlled environment to become accustomed to the sights.
- Adjust your shooting technique as necessary to maximize the effectiveness of the sights under various lighting conditions.

## Disposal Instructions

- Dispose of the MEPRO Tru Dot RIFLE SIGHTS in accordance with local regulations.
- Do not dispose of the sights in regular household waste.
- Consider recycling components where applicable.

## Contact Information for Further Support

For further assistance, please reach out to your local retailer or the manufacturer. Ensure you have your product details and any relevant information ready for a more efficient support experience.

## Conclusion

By following these safety instructions, you can ensure a safe and effective experience with the MEPRO Tru Dot RIFLE SIGHTS. Always prioritize safety and adhere to local regulations when using firearms and related accessories. Thank you for choosing MEPROLIGHT, where quality and safety are paramount.
