[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

MEPROLIGHT® combat-proven self-illuminated night sights enable you to upgrade your capabilities to hit stationary or moving targets under low-light conditions with dramatically increased hit probability. Test results by marksmen and journeymen level shooters have shown an increase of over 85% in hit efficiency, using Meprolight® self-illuminated day/night sights. Designed as replacement parts for the standard weapon sights, Meprolight's Self-Illuminated night sights can be mounted directly with minor modifications. Superior production methods and rigid quality control have made Meprolight® the first choice among law enforcement agencies, defense decision-makers, and major weapon manufacturers. A full quality program, certified to ISO-9001:2008 and complying with NATO and US Military Specifications is in place. All products and processes at Meprolight® are performed, controlled, and monitored to these demanding quality levels.

# MEPRO Tru Dot RIFLE SIGHTS Safety Instruction Guide

## Introduction

Thank you for choosing the MEPRO Tru Dot RIFLE SIGHTS. These selfilluminated night sights are designed to enhance your shooting capabilities under lowlight conditions. This guide provides essential safety instructions to ensure the safe and effective use of your sights in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Always ensure that the firearm is unloaded before installing or handling the sights.
- Use the sights only on compatible firearms as specified in the product documentation.
- Do not modify the sights or firearm in ways not recommended by the manufacturer.
- Keep the sights and firearm out of reach of children and unauthorized users.
- Regularly inspect the sights for any signs of damage or wear. If damaged, do not use the sights and contact a qualified professional for assessment.
- Report any unsafe products or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Always wear appropriate eye protection when using firearms equipped with these sights.
- Ensure a clear line of sight and a safe backdrop before taking any shots.
- Be aware of your surroundings and ensure that no one is in the line of fire.
- Do not use the sights in conditions where visibility is severely impaired (e.g., heavy fog or rain).
- Avoid using the sights if they are dirty or obstructed; clean them according to the manufacturer's instructions.

## Instructions for Installation and Usage

### Installation

#### 1. Preparation

- Ensure your firearm is unloaded and pointed in a safe direction.
- Gather necessary tools for installation (e.g., screwdriver, mounting tools).

#### 2. Mounting the Front Sight

- Locate the front sight mounting area on your firearm.
- Align the front sight with the mounting slot.
- Securely fasten the sight using the provided screws or mounting hardware.

#### 3. Mounting the Rear Sight

- Identify the rear sight mounting area.
- Align the rear sight with the mounting slot.
- Securely fasten the sight using the provided screws or mounting hardware.

#### 4. Final Check

- Ensure all screws are tightened properly.
- Check alignment of both sights for proper aiming.

## Usage

- To activate the selfilluminating feature, ensure the sights are exposed to light; they will glow in lowlight conditions.
- Familiarize yourself with the sight picture during practice sessions.
- Adjust your shooting technique as necessary to accommodate the sight alignment.

## Disposal Instructions

- When disposing of the sights, follow local regulations regarding electronic waste and firearm accessories.
- If the sights are damaged beyond repair, ensure they are disposed of in a manner that prevents unauthorized use.

## Contact Information for Further Support

For any safety inquiries or support regarding the MEPRO Tru Dot RIFLE SIGHTS, please refer to the manufacturer's website or contact your local distributor.

Thank you for taking the time to read this safety instruction guide. Your safety and the safety of others is our top priority. Please ensure that you follow all guidelines and instructions carefully.
