[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

MEPROLIGHT® combat-proven self-illuminated night sights enable you to upgrade your capabilities to hit stationary or moving targets under low-light conditions with dramatically increased hit probability. Test results by marksmen and journeymen level shooters have shown an increase of over 85% in hit efficiency, using Meprolight® self-illuminated day/night sights. Designed as replacement parts for the standard weapon sights, Meprolight's Self-Illuminated night sights can be mounted directly with minor modifications. Superior production methods and rigid quality control have made Meprolight® the first choice among law enforcement agencies, defense decision-makers, and major weapon manufacturers. A full quality program, certified to ISO-9001:2008 and complying with NATO and US Military Specifications is in place. All products and processes at Meprolight® are performed, controlled, and monitored to these demanding quality levels.

# MEPRO Tru Dot RIFLE SIGHTS Safety Instruction Guide

## Introduction

Thank you for choosing the MEPRO Tru Dot RIFLE SIGHTS Tru Dot FIXED RIFLE SET for H&K MP5, 91, 93, 94 G/G. This safety instruction guide is designed to provide you with essential information to ensure safe and effective use of your product. Please read this guide carefully before installation and use.

## General Safety Guidelines

- Ensure that you are familiar with the operation of your firearm before using the MEPRO Tru Dot RIFLE SIGHTS.
- Always treat your firearm as if it is loaded.
- Keep the firearm pointed in a safe direction at all times.
- Store the firearm and sights in a secure location, away from children and unauthorized users.
- Regularly inspect the sights for any damage or wear. Do not use damaged sights.
- Follow all local laws and regulations regarding the use and ownership of firearms and accessories.

## Specific Safety Precautions for Use

- Use only with compatible firearms as specified in the product description.
- Avoid using the sights in extreme environmental conditions (e.g., heavy rain, extreme temperatures) without proper precautions.
- Do not attempt to modify the sights beyond the minor adjustments specified in the installation instructions.
- Ensure that the sights are securely mounted before use. Check the mounting after installation and periodically thereafter.
- Be aware of your surroundings and ensure a clear line of sight before aiming and firing.

## Instructions for Installation and Usage

### 1. Installation

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing sights from the firearm according to the manufacturer's instructions.
- Align the MEPRO Tru Dot sights with the mounting points on the firearm.
- Securely fasten the sights using the provided screws or mounting hardware.
- Make minor adjustments if necessary to ensure proper alignment.

### 2. Usage

- Familiarize yourself with the sighting system before engaging in live fire.
- Adjust the sights for windage and elevation as needed, following the manufacturer's specifications.
- Practice shooting under various lighting conditions to understand the capabilities of the selfilluminated sights.
- Regularly clean the sights to maintain visibility and performance.

## Disposal Instructions

- Dispose of the product in accordance with local regulations for electronic waste and firearm accessories.
- Do not throw the product in regular household waste.
- Contact your local waste management authority for proper disposal methods.

## **Contact Information for Further Support**

For any safety inquiries or further assistance regarding your MEPRO Tru Dot RIFLE SIGHTS, please refer to the official manufacturer's contact information provided with your product packaging.

By following these safety guidelines and instructions, you can ensure a safe and effective experience with your MEPRO Tru Dot RIFLE SIGHTS. Thank you for prioritizing safety while enjoying your shooting activities.
