

MEPRO Tru Dot RIFLE SIGHTS - Tru Dot FIXED RIFLE SET IWI GALIL(PRE 2008) G/G

[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

MEPROLIGHT® combat-proven self-illuminated night sights enable you to upgrade your capabilities to hit stationary or moving targets under low-light conditions with dramatically increased hit probability. Test results by marksmen and journeymen level shooters have shown an increase of over 85% in hit efficiency, using Meprolight® self-illuminated day/night sights. Designed as replacement parts for the standard weapon sights, Meprolight's Self-Illuminated night sights can be mounted directly with minor modifications. Superior production methods and rigid quality control have made Meprolight® the first choice among law enforcement agencies, defense decision-makers, and major weapon manufacturers. A full quality program, certified to ISO-9001:2008 and complying with NATO and US Military Specifications is in place. All products and processes at Meprolight® are performed, controlled, and monitored to these demanding quality levels.

MEPRO Tru Dot RIFLE SIGHTS Safety Instructions

Introduction

Thank you for choosing the MEPRO Tru Dot RIFLE SIGHTS. These combatproven selfilluminated night sights are designed to enhance your shooting capabilities under lowlight conditions. This safety instruction guide provides essential information to ensure safe and effective use of the product, in compliance with EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure that the product is used only for its intended purpose as described in the product specifications.
- Always handle firearms and related accessories with care and in accordance with local laws and regulations.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the sights for any signs of damage or wear. Do not use if damaged.
- If you experience any issues with the product, cease use immediately and seek assistance.

Specific Safety Precautions for Use

- Always ensure the firearm is unloaded before installing or adjusting the sights.
- Do not attempt to modify or disassemble the sight beyond the recommended adjustments.
- Use appropriate eye and ear protection when using firearms equipped with these sights.
- Be aware of your surroundings and ensure a safe shooting environment.
- Avoid using the sights in extreme weather conditions that may impair visibility or functionality.

Instructions for Installation and Usage

1. Installation

- Ensure the firearm is unloaded.
- Remove the existing sights using appropriate tools.
- Align the MEPRO Tru Dot sights with the mounting points on the firearm.
- Secure the sights in place using the provided hardware, ensuring they are tightly fastened.
- Make any minor adjustments as necessary to achieve proper alignment.

2. Usage

- Familiarize yourself with the sighting system before engaging in live shooting.
- Adjust the sights as needed for optimal visibility in lowlight conditions.
- Practice regularly to enhance your proficiency with the sights.
- Always doublecheck the alignment and functionality before each use.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding electronic and optical waste.
- Do not dispose of the product in regular household waste.
- If you are unsure about how to dispose of the product, contact your local waste management authority for guidance.

Contact Information for Further Support

For safety inquiries or further assistance, please consult your local dealer or manufacturer's website for support

resources.

By following these safety instructions, you can ensure a safe and effective experience with your MEPRO Tru Dot RIFLE SIGHTS. Always prioritize safety and responsible handling of your firearms and accessories.
