MEPRO Tru Dot RIFLE SIGHTS Safety Instruction Guide

Introduction

Thank you for choosing the MEPRO Tru Dot RIFLE SIGHTS. These combatproven selfilluminated night sights are designed to enhance your shooting capabilities under lowlight conditions. This guide provides essential safety instructions and information to ensure safe and effective use of the product, in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure safe use of the product by following all instructions carefully.
- Be aware of potential hazards associated with improper use or installation.
- Always check for product recalls or safety updates on the EU's Safety Gate platform.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- Always handle the rifle and sights with care, treating them as if they are loaded.
- Ensure that the firearm is pointed in a safe direction at all times when handling.
- Use the sights only for their intended purpose, which is to enhance aiming accuracy.
- Regularly inspect the sights for any signs of damage or wear before use.
- Do not attempt to modify or alter the sights beyond the manufacturer's specifications.
- Keep the sights and firearms out of reach of children and unauthorized users.
- Use appropriate eye and ear protection when using firearms equipped with these sights.

Instructions for Installation and Usage

Installation

- Ensure the firearm is unloaded and pointed in a safe direction before starting installation.
- Remove the existing front sight from the Ruger Mini14, ensuring any retaining screws are carefully stored.
- Align the MEPRO Tru Dot RIFLE SIGHT with the mounting area on the firearm.
- Secure the sight in place using the provided screws, ensuring they are tightened according to the manufacturer's recommendations.
- Perform a visual inspection to confirm that the sight is securely mounted.

Usage

- Familiarize yourself with the sight's features and functionality before using it in the field.
- Adjust the sights for elevation and windage as needed to suit your shooting conditions.
- Practice using the sights in a controlled environment before engaging in live shooting scenarios.
- Always maintain proper shooting posture and technique when aiming with the sights.

Disposal Instructions

- Dispose of the product in accordance with local regulations for electronic and optical devices.
- Do not dispose of the product in regular household waste.
- Consider recycling options where available to minimize environmental impact.
