

Oryx Chassis - Sportsman - Tikka T3 - SA - RH - FDE

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

Our ORYX Sportsman Chassis was designed to be the best aftermarket approach to shooting a precision rifle. The V-shaped bedding and free floated forend was engineered to improve accuracy and ergonomics. This solid aluminum chassis excels in performance over your factory stock to maximize your rifle's capabilities. When you get behind this chassis and take up a sight picture you will feel a more solid connection between you and your rifle. The adjustable buttstock allows you to tailor a much better fit for accuracy and speed when getting behind your scope. It takes AR15 grips, ARCA rails, M-Lok accessories and has customizable colors. It's designed as an excellent upgrade for shooting matches, hog or coyote hunting, or anyone interested in getting into long-range shooting.

Oryx Chassis Sportsman Tikka T3 SA RH Safety Instruction Guide

Introduction

Thank you for choosing the Oryx Chassis Sportsman Tikka T3 SA RH. This guide provides essential safety instructions and guidelines to ensure safe and effective use of your chassis. Please read this document carefully before installation and use to maximize your safety and the performance of your product.

General Safety Guidelines

- Ensure that the chassis is compatible with your rifle model before installation.
- Always handle firearms and accessories with care and in a safe manner.
- Keep the chassis and all related components out of reach of children and unauthorized users.
- Regularly inspect the chassis for any signs of wear or damage. Do not use if damaged.
- Follow all local laws and regulations regarding firearms and their accessories.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Always ensure that the rifle is unloaded before attaching or detaching the chassis.
- Use only AR15 grips and MLoc accessories that are compatible with your chassis.
- Avoid using the chassis in extreme weather conditions that may affect performance.
- When adjusting the buttstock, ensure that it is securely locked in place to prevent accidental movement.
- Be cautious when using the chassis for longrange shooting; ensure you have proper training and experience.
- If you experience any issues with the chassis, discontinue use immediately and seek assistance.

Instructions for Installation and Usage

1. Installation

- Ensure that you have all necessary tools and components before beginning installation.
- Remove the existing stock from your Tikka T3 rifle.
- Align the chassis with the rifle's action and carefully insert it, ensuring a snug fit.
- Secure the chassis using the provided screws, ensuring they are tightened to the manufacturer's specifications.
- Attach your chosen AR15 grip and any MLoc accessories as desired.

2. Usage

- Adjust the buttstock to your preferred length for optimal comfort and accuracy.
- When preparing to shoot, ensure that the rifle is stable and that you have a clear sight picture.
- Maintain a proper shooting stance and grip on the chassis for improved accuracy.
- After use, clean the chassis and inspect for any signs of wear or damage.

Disposal Instructions

- Dispose of the chassis and any damaged components in accordance with local regulations.
- Do not dispose of the chassis in regular household waste.
- Consider recycling the chassis if possible, as it is made from aluminum.

Contact Information for Further Support

For any inquiries regarding the safety, usage, or installation of your Oryx Chassis, please consult the manufacturer's website or your retailer for further assistance.
