

Oryx Chassis - Sportsman - Tikka T3 - SA - RH - GRY

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

Our ORYX Sportsman Chassis was designed to be the best aftermarket approach to shooting a precision rifle. The V-shaped bedding and free floated forend was engineered to improve accuracy and ergonomics. This solid aluminum chassis excels in performance over your factory stock to maximize your rifle's capabilities. When you get behind this chassis and take up a sight picture you will feel a more solid connection between you and your rifle. The adjustable buttstock allows you to tailor a much better fit for accuracy and speed when getting behind your scope. It takes AR15 grips, ARCA rails, M-Lok accessories and has customizable colors. It's designed as an excellent upgrade for shooting matches, hog or coyote hunting, or anyone interested in getting into long-range shooting.

Oryx Chassis Sportsman Tikka T3 SA RH Safety Instruction Guide

Introduction

Thank you for choosing the Oryx Chassis Sportsman Tikka T3 SA RH. This product is designed to enhance your shooting experience while ensuring your safety and the safety of others. Please read this safety instruction guide carefully before using the chassis. It contains important information regarding safe usage, installation, and disposal.

General Safety Guidelines

- Always ensure that the chassis is compatible with your rifle model before installation.
- Read and understand the user manual of your rifle in conjunction with this chassis.
- Inspect the chassis for any visible damage before use. Do not use it if damaged.
- Keep the chassis and all associated equipment out of reach of children and unauthorized users.
- Always handle the chassis and rifle with care, treating them as if they are loaded.
- Follow all local laws and regulations regarding firearm usage and modifications.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- Ensure that the adjustable buttstock is securely locked in place before use to prevent any movement during shooting.
- When adjusting the buttstock, do so while the rifle is pointed in a safe direction.
- Use only compatible AR15 grips, ARCA rails, and MLoc accessories to avoid malfunction.
- Be aware of your surroundings when shooting, and ensure that you have a clear line of sight.
- Wear appropriate safety gear, including eye and ear protection, when using the chassis with your rifle.
- Do not modify the chassis beyond the manufacturer's specifications as this may compromise safety.
- If you experience any malfunction or unusual behavior during use, cease operation immediately and consult a qualified gunsmith.

Instructions for Installation and Usage

1. Installation Steps:

- Ensure that your workspace is clean and free of distractions.
- Unload your rifle and ensure it is pointed in a safe direction.
- Remove the factory stock from your Tikka T3 rifle according to the manufacturer's instructions.
- Align the Oryx Chassis with the rifle's action and insert the action into the chassis.
- Secure the action using the provided screws, ensuring they are tightened to the manufacturer's specifications.
- Attach the adjustable buttstock and ensure it is locked in place.
- Install any desired AR15 grips, ARCA rails, or MLoc accessories.
- Conduct a final inspection of the installation to ensure all components are secure and correctly positioned.

2. Usage Steps:

- Before shooting, ensure that the rifle is loaded according to the manufacturer's guidelines.
- Adjust the buttstock to achieve a comfortable and stable shooting position.
- Position your body behind the rifle, maintaining a firm grip on the chassis.
- Align your sight picture and take your shot while maintaining control of the rifle.

- After shooting, follow proper firearm handling procedures, including unloading and securing the rifle.

Disposal Instructions

- When disposing of the Oryx Chassis, follow local regulations regarding the disposal of aluminum and other materials.
- If the chassis is damaged beyond repair, consider recycling it at a local facility that accepts aluminum products.
- Ensure that all components are disposed of safely to prevent any hazards to the environment or public safety.

Contact Information for Further Support

For any inquiries regarding the Oryx Chassis Sportsman Tikka T3 SA RH, please refer to the manufacturer's website or contact their customer service for assistance. Ensure that you have your product information ready for a more efficient response.

Thank you for your attention to these safety instructions. Your safety and the safety of others are our top priority. Enjoy your shooting experience with the Oryx Chassis!
