

Oryx Chassis - Sportsman - Tikka T3 - SA - RH - Oryx Chassis - Sportsman - Tikka T3 - SA - RH - ODG

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

Our ORYX Sportsman Chassis was designed to be the best aftermarket approach to shooting a precision rifle. The V-shaped bedding and free floated forend was engineered to improve accuracy and ergonomics. This solid aluminum chassis excels in performance over your factory stock to maximize your rifle's capabilities. When you get behind this chassis and take up a sight picture you will feel a more solid connection between you and your rifle. The adjustable buttstock allows you to tailor a much better fit for accuracy and speed when getting behind your scope. It takes AR15 grips, ARCA rails, M-Lok accessories and has customizable colors. It's designed as an excellent upgrade for shooting matches, hog or coyote hunting, or anyone interested in getting into long-range shooting.

Oryx Chassis Sportsman Tikka T3 SA RH Safety Instructions

Introduction

Thank you for choosing the Oryx Chassis Sportsman Tikka T3 SA RH. This chassis is designed to enhance your shooting experience by improving accuracy and ergonomics. To ensure safe and effective use of your new product, please read this guide carefully.

General Safety Guidelines

- Ensure that you are familiar with the operation of your rifle and the chassis before use.
- Always handle firearms with care and treat them as if they are loaded.
- Use appropriate personal protective equipment (PPE), such as eye and ear protection, when shooting.
- Store your chassis and rifle securely when not in use to prevent unauthorized access.
- Regularly inspect your chassis for any signs of wear or damage.
- Follow all local laws and regulations regarding firearm usage and safety.

Specific Safety Precautions for Use

- Do not exceed the manufacturer's specifications for your rifle when using this chassis.
- Ensure that the chassis is properly installed and secured before each use.
- Avoid using the chassis in extreme weather conditions that may affect performance.
- Be cautious when adjusting the buttstock to avoid pinching or injury.
- Only use accessories that are compatible with the chassis, such as AR15 grips and MLoc accessories.
- If you experience any issues with the chassis, cease use immediately and consult a professional.

Instructions for Installation and Usage

1. Installation:

- Carefully remove your rifle from its original stock.
- Align the rifle action with the Vshaped bedding of the Oryx Chassis.
- Secure the rifle action within the chassis using the provided hardware, ensuring a snug fit.
- Attach the adjustable buttstock to the chassis, adjusting it to your preferred length.
- Install any additional accessories, such as grips or rails, as needed.

2. Usage:

- Before shooting, check that the chassis is securely fastened to the rifle.
- Adjust the buttstock for a comfortable fit that allows for optimal shooting posture.
- Take your position behind the rifle, ensuring a stable and balanced stance.
- Align your sight picture and take your shot, maintaining control of the rifle at all times.
- After use, clean the chassis and rifle to maintain performance and longevity.

Disposal Instructions

- Dispose of the chassis in accordance with local regulations for metal and plastic waste.
- If the chassis is damaged or no longer usable, consider recycling the materials whenever possible.
- Do not dispose of the chassis in regular household waste.

Contact Information for Further Support

For any questions or concerns regarding the Oryx Chassis Sportsman Tikka T3 SA RH, please refer to your local authorized dealer or manufacturer for assistance.

By following these safety instructions, you can ensure a safe and enjoyable experience with your new Oryx Chassis. Thank you for your attention to these important guidelines. Happy shooting!
