

Oryx Chassis - Sportsman - Howa 1500 - LA - RH - BLK

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

Our ORYX Sportsman Chassis was designed to be the best aftermarket approach to shooting a precision rifle. The V-shaped bedding and free floated forend was engineered to improve accuracy and ergonomics. This solid aluminum chassis excels in performance over your factory stock to maximize your rifle's capabilities. When you get behind this chassis and take up a sight picture you will feel a more solid connection between you and your rifle. The adjustable buttstock allows you to tailor a much better fit for accuracy and speed when getting behind your scope. It takes AR15 grips, ARCA rails, M-Lok accessories and has customizable colors. It's designed as an excellent upgrade for shooting matches, hog or coyote hunting, or anyone interested in getting into long-range shooting.

Oryx Chassis Sportsman Howa 1500 LA RH Safety Instructions

Introduction

Thank you for choosing the Oryx Chassis Sportsman Howa 1500 LA RH. This product is designed to enhance your shooting experience by providing improved accuracy and ergonomics. To ensure your safety and the optimal performance of your chassis, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Ensure that you are familiar with the operation of your rifle and its components before using the Oryx chassis.
- Always handle your rifle and chassis as if they are loaded.
- Keep your firearm pointed in a safe direction at all times.
- Store your chassis and rifle in a secure place, out of reach of children and unauthorized users.
- Regularly inspect your chassis for any signs of wear or damage before each use.
- Follow all local laws and regulations regarding firearm ownership and use.

Specific Safety Precautions for Use

- **Use Proper Ammunition:** Only use ammunition that is compatible with your Howa 1500 rifle.
- **Check Compatibility:** Ensure that all accessories, including grips and rails, are compatible with the Oryx chassis.
- **Avoid Modifications:** Do not make unauthorized modifications to the chassis or rifle, as this may compromise safety and performance.
- **Wear Protective Gear:** Always wear appropriate eye and ear protection when shooting.
- **Be Aware of Your Surroundings:** Always be mindful of your shooting environment and ensure that it is safe and appropriate for shooting activities.
- **Follow Manufacturer Instructions:** Adhere strictly to the manufacturer's guidelines for installation and usage.

Instructions for Installation and Usage

1. Installation of the Chassis:

- Carefully remove your rifle from its factory stock.
- Align the rifle action with the Vshaped bedding of the Oryx chassis.
- Securely fasten the action screws to ensure a snug fit.
- Attach the adjustable buttstock according to the manufacturer's instructions for optimal fit.

2. Using the Chassis:

- Adjust the buttstock to your desired length for comfort and accuracy.
- Attach any desired AR15 grips and MLoc accessories to customize your setup.
- Ensure that the forend is free floated for optimal accuracy during shooting.
- Before taking aim, check that all components are securely attached and functioning properly.

3. PostUse Care:

- After shooting, clean the chassis and rifle as per the manufacturer's cleaning guidelines.
- Inspect for any signs of wear or damage that may need attention.

Disposal Instructions

- When disposing of the Oryx chassis, follow local regulations for the disposal of aluminum and other materials.
- If the chassis is damaged beyond repair, ensure that it is rendered unusable before disposal to prevent misuse.

Contact Information for Further Support

For any questions or concerns regarding the Oryx Chassis Sportsman Howa 1500 LA RH, or to report any safety issues, please refer to your local authorized dealer or the manufacturer's support resources.
