

# Oryx Chassis - Sportsman - Tikka T1X - SA - RH - BLK

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

Our ORYX Sportsman Chassis was designed to be the best aftermarket approach to shooting a precision rifle. The V-shaped bedding and free floated forend was engineered to improve accuracy and ergonomics. This solid aluminum chassis excels in performance over your factory stock to maximize your rifle's capabilities. When you get behind this chassis and take up a sight picture you will feel a more solid connection between you and your rifle. The adjustable buttstock allows you to tailor a much better fit for accuracy and speed when getting behind your scope. It takes AR15 grips, ARCA rails, M-Lok accessories and has customizable colors. It's designed as an excellent upgrade for shooting matches, hog or coyote hunting, or anyone interested in getting into long-range shooting.

# Oryx Chassis Sportsman Tikka T1X SA RH Safety Instruction Guide

## Introduction

Thank you for choosing the Oryx Chassis Sportsman Tikka T1X SA RH. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your chassis. Please read this document carefully to familiarize yourself with safety practices and usage instructions.

## General Safety Guidelines

- Ensure that you are of legal age and have the necessary training to handle firearms.
- Always treat your firearm as if it is loaded.
- Store your chassis and firearm in a secure location, away from unauthorized access.
- Use your chassis only for its intended purpose as specified in this guide.
- Regularly inspect your chassis for any signs of damage or wear before use.
- Follow all local laws and regulations regarding firearm ownership and use.

## Specific Safety Precautions for Use

- Always wear appropriate eye and ear protection when shooting.
- Keep your fingers off the trigger until you are ready to shoot.
- Do not point the firearm at anything you do not intend to shoot.
- Be aware of your surroundings and ensure a safe backstop before firing.
- Avoid using the chassis in adverse weather conditions that may affect its performance.
- Do not attempt to modify the chassis or use it with incompatible accessories.

## Instructions for Installation and Usage

### Installation Instructions

1. **Unpack the Chassis:** Carefully remove the chassis from the packaging and inspect it for any visible damage.
2. **Prepare the Firearm:** Ensure your Tikka T1X rifle is unloaded and free of ammunition.
3. **Attach the Chassis:**
  - Align the rifle with the chassis.
  - Secure the rifle into the chassis using the provided screws and tools.
  - Ensure that the rifle is firmly attached and there is no movement.
4. **Adjust the Buttstock:** Adjust the buttstock for a proper fit. Ensure it is locked in place before use.
5. **Install Accessories:** Attach any desired AR15 grips, MLoc accessories, or ARCA rails according to the manufacturer's instructions.

### Usage Instructions

- Ensure the chassis is properly secured to the rifle before use.
- Adjust the scope and other accessories to your preference for optimal performance.
- Practice safe handling techniques at all times while using the chassis.
- After use, clean and maintain the chassis according to the manufacturer's recommendations.

## Disposal Instructions

- Dispose of the chassis in accordance with local waste management regulations.
- If the chassis is damaged or no longer usable, consider recycling the aluminum components where

facilities exist.

## Contact Information for Further Support

For any inquiries related to the safety or performance of the Oryx Chassis, please reach out to your local distributor or retailer.

## Conclusion

By following these safety instructions and guidelines, you can ensure a safe and enjoyable experience with your Oryx Chassis Sportsman Tikka T1X SA RH. Remember, safety is your responsibility. Always prioritize safe practices when handling firearms and related equipment.
